CONNECTING EDUCATION AND CAREERS

*Techniques* is ACTE's award-winning magazine. Every issue is filled with career and technical education news, legislative and policy trends, and feature stories about educators and school programs just like yours. No other publication covers career and technical education like *Techniques*.

*Techniques* is published monthly from September through May (November and December are a combined issue). One year (8 issues) \$48; two years (16 issues) \$90.

## CAREER TECH UPDATE

E-MAIL NEWSLETTER

*Career Tech Update* brings you timely coverage of policy issues and activities impacting career and technical education, issues that impact you every day. You'll know what's happening, when it's time for you to act, and how to make sure your voice is heard! It's more important than ever to keep up on the latest news affecting your schools and programs. ACTE's *Career Tech Update* e-mail newsletter is a leading source of career tech news, delivered to your e-mail inbox every day!

*Career Tech Update* is published by e-mail every day for just \$139 for one year.
