EXECUTIVE DIRECTOR'S MESSAGE

Ruth Huff, NCACTE Executive Director

Fifty people from North Carolina attended the VISION conference in Anaheim, California in early December. VISION was filled with great staff development as well as meetings concerning the management of ACTE, and Region II. During the Regional meeting, each state was informed we need a representative on each of the Region's committees. We have openings on the Membership and Nominating committees. All of these committees meet virtually or correspond via email. Please contact Ruth Huff if interested in serving.

During the VISION conference, North Carolina received the Quality Association Award. Chip Lucas and I were proud to be recognized as we received this award. During the VISION conference the Guidance and Career Development division was approved for a name change. This division will now be Counseling and Career Development. We are in the process of changing this division name on all NCACTE information. The Region II conference next year will be held in Myrtle Beach, South Carolina, October -1-3, 2020. Information will be placed on the Region II website soon. As a member of ACTE you automatically become a member of Region II. This region is made up of members from the Virginia, NC, SC, Georgia, Florida, Alabama, Kentucky, and Tennessee and the Bahamas. Each year we share information from each state and work together to make our areas stronger. Consider attending this event each year to keep abreast of activities.

As we approach 2020, we must prepare ourselves for a stronger Association, participating in activities and Summer Conference. By now most know that our Summer Conference will be held in Winston Salem, NC July 13-17, 2020. Please reserve these dates to attend and receive new updates and information. Before Summer conference we have will be having the NCACTE Professional Development and Board of Directors Seminar in Morehead City, March 5-7. Meetings will be held at Carteret Community College. The hotel will be the Hampton Inn in Morehead City, NC, which is near to the Community college. This meeting is for all members, not just the board of directors. Staff development will be offered and you will receive a CEU for attendance. Our professional development committee has been planning this meeting for some time. Attend and see what we have to offer. Information concerning registration will be sent soon.

THE ACTE election is open at this time. You should have received a passcode to vote. If you did not please let ACTE know. Most of the time there is a low voter turnout. Please vote this year and be heard. We have three wonderful candidates for President-elect. Kevin English from Arizona, Brian Law from Georgia, and Jon Quatman from Ohio. Their videos are posted on the ACTE website. I encourage you to view these and cast your vote.

Please remember to pay your dues and become a part of the professional organization. We need all CTE professionals to become active with us. Try to recruit members that work with you. Spreading the word by experienced members is the best method. If you recruit a member let me know. Information needed? Call me anytime.

Have a great Holiday Season.

From Your President....

Chip Lucas

Season's Greetings!

Recently, I was able to spend several great days in Anaheim, California attending the ACTE Vision conference with thousands of CTE professionals from across the nation. The ACTE leadership boasted that this was the largest attendance they have had in almost twenty years! I am sure they will return to Anaheim as soon as possible.

North Carolina was represented by almost forty people of the more than 4,000 attendees in the Anaheim Convention Center Complex. California was represented with about 1,000 people from across their state who were there to attend this premiere professional development of CTE educators.

I have endeavored to be an involved state president at the regional and national meetings this year and have enjoyed taking my leadership experience to the next level. At our Region II meeting in Anaheim, I was able to report out on how we enjoyed hosting the Region II conference and thanked our fellow regional representation for coming to Raleigh in October. We talked about challenges we experienced due to our recent General Assembly leaving Raleigh last month without a state budget and our quest to continue to advocate for increased credential funding and resources for CTE programs in the state of North Carolina.

As part of Vision, three of your NCACTE members were able to represent our state at the National Assembly of Delegates and greet the delegates from other states with personal words of welcome about our beautiful home. Truly, nothing compares to North Carolina.

On Saturday morning, the state leaders (Executive Directors and State Presidents) were invited to attend the State Leadership breakfast where regions were recognized and states that had met award objectives were also given accolades as quality associations. As a bonus, North Carolina was included in the resources and tools section of the state leadership brochure on how we have adopted the state website hosting with ACTE as part of our ACTE unification member benefits for all members. (ACTE has processed 90 of or memberships over the past two months! So renew yours today!)

In between all of these leadership events, I attended great administrator sessions and learned from experts across the country in areas of preference that I will soon implement in our school district. I heard the story of how an astronaut was inspired by his teachers to reach for his dream to travel in space, and how each of us in our professional and personal lives need to try each day to be highly effective in all that we do. The conference was a collection of memorable inspiring moments.

Thank you for your commitment to NCACTE in our quest for meaningful membership, optimum organization, and relevant relationships as exceptional educators. We look forward to seeing you in the New Year at our upcoming spring professional development and other state networking opportunities. We appreciate you and wish you all the happiest of holidays.

CIMC DIVISION NEWS

FALL CONFERENCE SUCCESS!

Our Fall 2019 CIMC conference in Durham was a huge success! Many thanks to our presenters and to Megan Smith and our division's leadership team for planning a great professional development opportunity for us all! Conference certificates were sent to participants who completed the evaluation survey and workshop resources have been posted in the CIMC Moodle.

RED HAT SHELTON CHALLENGE

This year's silent auction and 50/50 raffle at fall conference brought in \$1500 for the Red Hat Shelton Challenge, an immersive leadership-development experience for youth and college students through NC State University. Our donation to this program is in honor of Kim Ingold. Thank you all for your generous donations! For more information about the Red Hat Shelton Challenge, visit www.sheltonleadership.ncsu.edu/pre-college/shelton-challenge.

PREPARING FOR PERKINS V

COMPREHENSIVE LOCAL NEEDS ASSESSMENT (CLNA)

- Foundation of Perkins V implementation at local level
- Biennial; drives local application development and future spending decisions
- Identify areas where targeted improvements can lead to increased opportunities for student success
- Powerful opportunity to engage stakeholders in common understanding and vision for the future of CTE

CIMC'S ROLE IN CLNA

The CIMC role differs in each district. How are you contributing to the CLNA process in your district? Share your ideas and best practices with your colleagues at your next regional CIMC meeting or through our Twitter page (@CIMCNC)!

MEMBER SPOTLIGHT

Shirley Wilkins Holt works with Pamlico County Schools. Shirley serves multiple roles as CTE Director and CIMC-PPOC as well as

Federal Programs and STEM Director for PCS. She previously served as CDC and has taught business, marketing and family and consumer sciences classes. Shirley says, "CTE is so important to our students! The CIMC's role is relationship building with staff and students to ensure everyone understands their roles and responsibilities."

Mrs. Holt is a native of Princeton, NC and resides in Pamlico County with her husband, Ronnie. She graduated from the University of Mt. Olive with her undergraduate degree and Gardner-Webb University with her graduate degree. Shirley is also a National Board Certified Teacher.

Hands-on Practice Now Means Improved Patient Outcomes Later

Pocket Nurse® offers medical supplies for healthcare simulation education. Turn your classroom into a hands-on learning experience for your CTE students with the right solutions.

Through a statewide Term Contract for manikins, accessories, software, and services, your organization can now purchase 3B Scientific, Life/form, and Simulaids solutions from Pocket Nurse.

The contract, awarded through the State of North Carolina E-Procurement allows state agencies to contract with approved vendors without going through an additional request for approval.

Our goal is to give you top-of-the-line educational simulation solutions. Students and their future patients benefit from practice with real medical products, task trainers, simulated medications, and manikins.

Please contact your dedicated account manager for the state of North Carolina for more information, pricing, and quotes.

News from the Health Science Division December 2019

Special Member Spotlight – Focus on President Elect-Lynn Hardison

Lynn is a distinguished teacher who is totally dedicated to our health science program. Presently, she serves as the Chair of the HOSA Board of Directors. She is highly qualified and has a master's degree in nursing and business. Along with teaching at Pamlico County High School she teaches courses at the community college. She keeps her clinical skills by working at the local hospital. Lynn was the Teacher of the Year for 2013-2014. WOW! NCACTE is especially lucky that she is tech savvy and a phenomenally hard worker! Below are photos of her students. We are blessed to have someone with her skills and loves her students. We look forward to a great future in NCACTE.

See Lynn's students in some great activities – 5th Grader - Health career exploration, Prevent Blindness of NC vision screening, Wreaths Across America, CPR / First Aid - Stop the Bleed, and Chapter Jump Start Officers

*Thank you Pamlico County
High School*

ACTE MEMBERSHIP **NEW Installment Plan for Dues**

ACTE has established a new installment plan for North Carolina members to pay in 4 installments in order to join our Association divided over 4 consecutive months. You must pay online and use a credit card. The first payment will be made when you join and then you will be charged for installment for the next 3 consecutive months.

Example:

1st payment upon initial joining - Approx. \$35.00 charged to your card.
2nd payment (one month after first payment) - Approx. \$35.00 charged.
3rd payment (one month after second payment) - Approx. \$35.00 charged.
4th payment (one month after 3rd payment, now paid in full) - Approx. \$35.00 charged.
Total Dues—\$140.00

(If you join the Administration or T&I division, your payments will vary due to a difference in division dues.)

You must pay on the website. See application form. You will complete the form as usual and then just before you pay you will see the option for installments. You will become a member with the first installment.
