Cheyenne Mountain Resort Transportation

Cheyenne Mountain Resort offers in-house shuttle service to and from the Colorado Springs Airport. **The cost is \$20 per person each way or \$40 per person roundtrip.**

For a seamless transfer experience, please provide the following information at least one week prior to first arrival:

- First & last name
- Arrival & departure dates
- VIP status or other special instructions
- Airline & flight number
- [Click here for more info](#)

Changes and cancellations must be received at least 12 hours in advance to avoid fees. Arrival flights are tracked for delays, etc. and guests are picked up accordingly. Departure shuttles leave on the hour, every hour starting at 4:45am, 6am, 7am, etc.

Upon arrival to the Colorado Springs Airport, attendees should check in with the Cheyenne Mountain Resort driver, who will be identified with a resort sign at the bottom of the stairs that lead into the baggage claim area. At that time, the driver will confirm shuttle arrangements and escort attendees to the Transportation Lane located outside the terminal building. In the unlikely event that a driver cannot be located, please call Cheyenne Mountain Resort at 719-538-4020 or 800-428-8886.
