Tour of the CNM Advanced Technology Center Region IV ACTE Pre-Conference / Tuesday, April 3, 2018 (10:00 – Noon)

Tour of Facilities:

The Advanced Technology Center was built to extend CNM's ability to serve its mission by adding approximately 80,000 square feet of state-of-the-art laboratory and classroom space, ideal for the Applied Technologies programs. The center hosts day, evening and weekend classes as well as open labs for students, tutoring hours and rotation hours for AT's Achievement Coach and School Advisor.

Join us for a tour of the newest, designated CTE / CNM campus. **Attendees will tour the Aviation, Film, Solar, Truck-driving, Mapping/Surveying, and Construction Management Facilities. Come for an interactive fun tour!**

Cost / Meeting up for Tour:

Cost is \$20/participant for transportation only. The group will meet in the hotel lobby at 1000 Woodward Place NE. Please note: this is NOT the CNM Workforce Training Center, which is close by. Maps can be obtained at the conference registration table.

Registration: Complete the online registration process and complete the pre-conference option.

ServSafe Management Certification Class Pre-Conference Region IV Association for Career Technical Education Tuesday, April 3, 2018 (8:00 a.m.—5:00 p.m.)

The ServSafe Program

Food safety training is a commitment, a mindset and a smart business practice for every restaurant and food-service operation in our industry. Food safety training doesn't end, however, once a manager earns certification. That's where it begins — by implementing food safety practices on a daily basis. It is also critical that every person in an operation meet today's food safety practice demands. The ServSafe® program provides the resources to help keep food safety an essential ingredient in every meal.

Cost

For the price of the seminar, you receive the following: a full day of training; ServSafe® Manager Book 6th Edition book; lunch; and a certification exam. Attendees who successfully complete the course and score higher than 75% on the exam will receive certification from the National Restaurant Association Educational Foundation, which is nationally recognized and valid for 5 years. (Training, Materials/Book, Certification Exam, Break Service and Lunch: \$155/participant)

Registration

Complete the online registration process (Must be done at least 20 business days prior to class date, to allow time to receive the book and study prior study prior to class.)

Brew Tour: Visit Local Breweries and Learn of a New Brew Craft Instruction Program

Region IV Association for Career Technical Education Pre-Conference
Tuesday, April 3, 2018 (7:00 p.m.—9:00 p.m.)

Central New Mexico Community College is now offering five new courses in the brew craft: Beer Production and Styles, Draught Systems, Beer Production I and II and Food Safety Principles. If students pass all five, they earn a Brewing Technology

Certificate. The long-awaited Brewing Academy has been in the works since 2014. Beginning-level classes began fall 2016 as part of CNM's School of Business & Information Technology's culinary program. Join us as we tour one of the fastest growing industries in New Mexico, where the need for qualified workers is huge. Learn how CNM is providing Career Technical training to help industry meet the demand for qualified and well trained workers. Participants will visit local micro-breweries and learn of program opportunities, with industry support.

Cost / Meeting up for Tour

Cost is \$20/participant for transportation only. Cost of sampling, etc., will be paid by individuals on site. Participants will meet in the hotel lobby at 7:00 p.m., and will be transported via chartered bus.

Registration

Complete the online registration process and mark the pre-conference opportunity.
