Identity Theft ... ”So You Think It Can’t Happen To You.”

University Plaza - Colorado A

Identity theft is the fastest growing white collar crime in America today. Most believe it only involves or is related to financial issues like credit cards or bank accounts; these are only a small part of this growing crime. There are actually four other areas of identity theft that can equally impact or even have a greater impact on you and your loved ones’ lives. Learn how your driver’s license, your social security number, your medical information, and your character are all at risk. It’s no longer just a financial concern, it’s now an issue of life, your rights and your good name. Identity theft can happen in minutes but can take several years and thousands of dollars to repair the damage caused by this crime, not to mention, the emotional toll on you and your loved ones. Precautions and solutions will be provided.
