(G, P, SN, S, PS) MSCA

Presenter: Harley Schlichting, Educational Consultant

Facilitator: Ruth Ann Clark, Ozark Junior High

"Why do I need school?" "What's the point of taking this class?" Career objectives are critical to all students, but they are especially important to the at-risk students. Find out how using the Career Pathways can help students make the connection between school and careers. With the right information and guidance, students can "get hooked." School becomes meaningful and students are motivated to reach their career goals.

Standardized Transcript: What Is It, Who Needs It, and Why?

Location: Room 4

(G, P, SN, S, PS) MSCA

Presenter: Lela Kostack Bunch, MSCA Executive Director, Jefferson City, MO

Facilitator: TBA

Each year, thousands of transcripts are reviewed by school districts when students transfer between schools and by post-secondary offices when students apply for admission and scholarships. If all schools in Missouri would adopt a standardized transcript, the review of key information, including course titles, grades, credits, and test scores, would be more efficient, less time consuming, and subject to less interpretational errors. Through this panel discussion involving experts from the Missouri School College Relations Commission, you can find out more about the standardized transcript proposal and how adopting a standardized transcript primarily benefits the students.
