DEPARTMENT OF ELEMENTARY AND SECONDARY EDUCATION

Oscar Carter, Director, Skilled Technical Sciences, OCCR
Ken Kerns, Supervisor, Skilled Technical Sciences, OCCR
Joey Baker, Supervisor, Skilled Technical Sciences, SkillsUSA Director
Beverly Ponder, Administrative Assistant
Jim Bridwell  
Welding Instructor, OTC  
Manufacturing Cluster

My name is Jim Bridwell, I’ve been a Welding Instructor at Ozarks Technical Community College since 1999. I have been a member of Missouri Trade and Technical Association since 1999, where I participated as a Program Planner, Chair-elect and Chair for the manufacturing committee. I have been involved with SkillsUSA at both the secondary and post-secondary levels, having competitors place first at State level and 3rd at National level. Have served on the National Education Team for 6 years, and on the Technical Committee for the welding competitions, and have hosted a number of competitions for the Southwest District.

I enjoy teaching and working with the faculty and staff at Ozarks Technical Community College. I have served on hiring committees as well as involvement with advisory committees at other technical schools such as Dallas County Technical Center and Scott Regional Technical Center. I also serve on the executive committee for the American Welding Society and have hosted numerous meeting for our local membership.

I have two boys, Jonathan and Jordan. Jonathan works for Commercial Metals Inc. in Springfield and Jordan has served in the Air Force for six years. Both attended school at OTC. Jonathan completing a degree in construction while Jordan followed in my footsteps in welding.

I would appreciate the opportunity to serve at a much higher capacity with Missouri Trade and Technical Association as your next President-Elect. This upcoming school year will be challenging at best with new policies and procedures filtering down through the channels. Not to mention the changes in the conference next year through MOACTE and ACTE.
SUNDAY, JULY 23

4:00 p.m. - 6:00 p.m.
MTTA Executive Board Work Session • Ramada Inn Oasis • Arabian Room

MONDAY, JULY 24

9:30 a.m. Missouri ACTE Board of Directors Meeting
University Plaza
Illinois Room

1:00 p.m. – 6:00 p.m. Missouri ACTE Conference Registration
EXPO Center Hall A & B
635 St. Louis St.

1:00 p.m. – 6:00 p.m. Exhibits Open
EXPO Center Hall A & B
635 St. Louis St.

3:30 p.m. - 4:30 p.m.
MTTA Cluster Chair/Chair-Elect/Program Planners Meeting
Ramada Inn Oasis • Bora Bora
Attendance Required

TUESDAY, JULY 25

7:30 a.m. All Missouri ACTE Committee Meetings
University Plaza Convention Center
Arizona Room

8:00 a.m. – 2:00 p.m. Exhibits Open
EXPO Center Hall A & B
635 St. Louis Street

8:00 a.m. – 5:00 p.m. Missouri ACTE Conference Registration
EXPO Center Hall A & B
635 St. Louis St.
Tuesday, July 25 (con’t)

8:45 a.m. New Professional Reception
University Plaza Convention Center
Arizona/Georgia/Iowa

10:00 a.m. Opening General Session – Hall C
Welcome; Awards; President-Elect Speech
Speaker: Crissy Lauderbach – Teachers are the Real Rock Stars

12:00 p.m. - 2:00 p.m.
MTTA General Session/ Business Meeting
Oasis Convention Center, Coco and Fiji Ballroom

Event Co-Sponsored
University of Central Missouri – Dept. of Career and Technical Ed.
Speaker, Dr. Bart Washer – Chair, Department of Career and Technology Education, UCM

And Carpenters Union – Carpenters Build Our Community
Speaker John Gaal

Attendance required for all MTTA Members (Door Prizes)
Cluster Meetings will take place immediately following Business Session. 2:00 p.m. - 2:30 p.m.

3:30 P.M. - 5:30 P.M.
MCRIA-Missouri Collision Repair
Instructors Association Regular Business Meeting
Oasis Convention Center - Bora Bora Room
**TUESDAY, JULY 25 3:00 PM - 4:00 PM**

**Immediately following the Luncheon**

**Introduction to the SkillsUSA Framework**
This session will be an opportunity for new and experienced SkillsUSA advisors, teachers, and administrators to get an understanding of the new SkillsUSA Framework and how valuable it can be in your classroom or school. Brand new SkillsUSA Framework resources will also be used as a part of the training.

Presenter: Jeff Green, SkillsUSA Nationally Certified Trainer

Location: Saraha B

---

**MOACTE GENERAL SESSIONS**

Illinois Room – UP Convention Center

**3:30 p.m.**
Keith Davis – *Competency Based Learning*
Nebraska Room – UP Convention Center

---

For more detailed course descriptions, see page 6 in MOACTE Conference Program
Wednesday, July 26th

Technical Session at Ozarks Technical College campus as scheduled. Parking will be limited with construction. Refer to map in back of the book for closed lots.

12:00 p.m. - 1:00 p.m.

MTTA Luncheon - Rib Crib • LCN 211

Annual Luncheon

Please register at registration desk or confirm with Dorothy Loges

Text name and number to 417-424-3295

The luncheon is sponsored by
Ranken Technical College

and Representative
Missy Borchardt

Meal will once again be catered by

Rib Crib

with locations on
West Sunshine and North Glenstone
in Springfield, MO
Construction
Connecting Education to Careers with Crossland Construction
Bridging the transition from graduation to work, Crossland Construction makes it easier than ever. This session will detail the incentives students have to earn more per hour as an entry level employee with Crossland. This session will also discuss hierarchy of employment and what it takes to be successful on a Crossland jobsite.
Presenter: Nathan Kubicek, Talent Development Director
Crossland Construction Company
Location: ITC 222

Manufacturing
Shop Tour CNH Reman
Shop tour and business overview as desired. Closed toed shoes required and safety glasses provided.
Presenters: Dave Reader, Operations Manager
Robert Randolph, Manufacturing Engineering Manager
Location: Off-Campus
Willard Fire Protection District, 2707 N Farm Rd 123, Springfield, MO 65803
**Technical Sessions**
8:00 am - 9:45 am

**Project Based Learning & the Simulated Workplace**
Engage students in high-quality project-based learning and workplace simulation to help them see the relationship between classroom learning and future education and employment opportunities. Participants will explore the facilitation, design and implementation of project based learning and simulated work environment; how they enhance rigor that emulates problem-solving in the workplace. Example of projects are from a welding program.
Presenter: Curt Claycomb, Industrial Welding Instructor, Northland Career Center
Location: ITC 221

**Service**
Aurasma - Using Augmented Reality in the classroom.
We will go over how to setup a free Aurasma account and how to implement augmented reality into your classroom.
Presenters: Brandon Dennis
Location: ITC 217

**Security on a Budget**
Walk through installation and setup of pfSense firewall. Review of features and setup including setting up IDS in system. If time permits would like to cover installation and setup of OpenVAS and OSSIM as well.
Presenters: Carl Alcott CTO KC Help Desk
Location: ITC 219

---

**Wednesday July 26th**
12:00 p.m. - 1:00 p.m.

MTTA Luncheon - Rib Crib • LCN 211
If you forgot to pre-register stop by and check for space... There is always room for more.
Bring a New Professional!
Sponsored by

[Ranken Technical College Logo]
Transportation Automotive Technology Roundtable Discussion
Join other Automotive Technology instructors in a discussion of the challenges, and best practices that will be helpful throughout the school year. This is the third year that this session has been offered. It is always well attended and back again this year by request.
Presenters: John Rutledge, Instructor
Location: ITC 102 Service

Technical Sessions are located on the Ozarks Technical College Campus

Please take time to thank the staff at OTC for their continued help and support in getting the conference going!

Important! Please fill out!

PLEASE fill out and return to Dorothy Loges at Business Luncheon at Ramada 12:00 pm Tuesday! Thank you!

Will also be used for Door Prizes!
Graphics
Graphic Arts Print Crawl
This is a first time ever print crawl through Springfield visiting a number of shops and facilities that are not only interested in showing you what they have to offer but possibly what they can offer your students in the way of employment. We will load at the Oasis and visit Elemoose Graphics, Bass Litho, Nelson SWAG and SMC Packaging Group. Each facility has something fabulous to show you. We can take up to 14 passengers in our van so be there or be square. Elemoose will require safety glasses but they will provide them and closed toed shoes please.
Presenter: Dorothy R. Loges
Location: Load bus at Oasis Hotel and Convention Center 7:30 am

Transportation
New Fastening Technologies along with FESCO Vacuum Sanding Systems Self-piercing Rivet and other fastening techniques demonstrations along with FESCO vacuum sanding systems.
Presenters: John Helterbrand, Instructor
Location: ITC 105, 105A

Service
Criminal Justice Instructors of Missouri Committee
This will be the annual meeting of the Criminal Justice Instructors of Missouri Committee (CJIM). During this time we will work on many different items: IRC Process, Standardized Curriculum, SkillsUSA Contests, and any other items needed to be addressed.
Presenters: Cory DeVaul, Instructor Ryan Holder, Instructor
Location: NKM 108

House of Delegates
Wednesday July 26th
3:30 pm
House of Delegates meeting has been moved to John Q Hammons room at the University Plaza.
MTTA 2017 Summer Conference

10:00 am - 11:45 am

**Construction**
Implementing the Career Connections Curriculum
Representative from the Kansas City and St. Louis Carpenters’ Union invite you to learn about the Career Connections Curriculum, created by the Carpenter’s International Training Fund. Students have the opportunity to take a corresponding TSA and earn an IRC, by completing the necessary sequence of curriculum. With affordable curriculum it can easily be incorporated into any program.
Presenters: Mo Cisneros, Carpenter Instructor/Outreach Specialist
RJ Catizon, Carpenter Instructor
Location: ITC 222

**Manufacturing**
AWS Educational Resources
The presentation I envision speaking to is on the new SENSE program and the online course topics that AWS has developed and is being utilized as a way to augment the welding curriculums and programs nationwide. Both programs give their students a stackable industry recognized credential upon completion and can be used as both an instructional aide as well as a homework assignment.
Presenter: Efram Abrams, AWS Learning Sales Rep
Location: ITC 102

**Tips on Building a Robotics Course/Program**
This presentation is geared towards helping to build a robotics program or scale up a current program. Topics will include equipment that can be used, areas of focus, clubs and organizations of interest, and more. All who pre-register for this breakout session can be used, areas of focus, clubs and organizations of interest, and more. complimentary copy of Basic Robotics from Cengage publishing.
Presenters: Keith Dinwiddie, Technical Education Extension Specialist/Instructor
Location: ITC 219

**Service**
Interactive Tools for a Technology Rich Classroom
In this session, you will learn about a variety of ways to engage students while in the classroom. We will explore digital tools that move student technology skills beyond entertainment or online testing and help improve learning. And review engaging activities that integrate formative assessment, content tools or interactives to meet standards.
Presenters: Melissa Young, Ed Tech Specialist
Location: ITC 217
Technical Sessions
10:00 am - 11:45 am

SATA Security for Everyone
General “Best Practices” for everyone to maintain data security at work or at home.
Presenters: Justin Richards, PCRMC
Location: ITC 221

Transportation
“Building Lesson Plans with CDX”
CDX Textbooks have become one of the most widely used references for Automotive Technology classes. Now, receive the most current information and learn about features that are available to create the most effective lesson plans for your class.
Presenters: Randy Haubner, CDX Learning Systems
Location: LCN 114

Wednesday July 26th
12:00 p.m. - 1:00 p.m.
MTTA Luncheon - Rib Crib • LCN 211
There is always room for more cobbler.
Bring a New Professional, Presenter or Administrator!
Sponsored by

RANKEN TECHNICAL COLLEGE
Construction
Career Pathways - NCCER
We invite you and your colleagues to attend as we present a plan with the goal of narrowing the skills gap and creating a pipeline of talent into the construction industry.
Presenter: Monica Brentano, Education Director, Associated Builders & Contractors, Inc.
Heart of America Chapter
Location: LCN 112

Graphics
Graphic Instructors Round Table
Please bring any and all question, concerns, lesson plan ideas and a positive attitude. We enjoy working together to make the MoACTE conference a wonderful experience for both new and veteran teachers.
Presenters: Angi Yowell, Instructor
Location: LCN 114

Manufacturing
Welding A2Z – An Online Learning Platform
Welding A2Z is developing videos on each welding modules recommended by American Welding Society to high-school, community colleges and entry-level welders, creating an encyclopedia of welding concepts in animation. Interactive simulation is incorporated on each concept allowing the students’ knowledge to be reinforced and tested. Upon course completion the students are allowed to build increasingly complex welding projects in a VR environment. Each welding project is designed to test a welding application.
Presenters: Sreenivasa Rao Sanakam, Chief Operation Officer
Miriam Russell, Chief Marketing Officer
BetaFlix, INC
Location: ITC 217

Service
Criminal Justice Instructors of Missouri Committee
(Continued from the morning session)
This will be the annual meeting of the Criminal Justice Instructors of Missouri Committee (CJIM).
During this time we will work on many different items: IRC Process, Standardized Curriculum, SkillsUSA Contests, and any other items needed to be addressed.
Presenters: Cory DeVaul, Instructor
Ryan Holder, Instructor
Location: NKM 108

Round Table Discussions
We will split into groups, pairing veteran teachers with new teachers. We can then discuss teaching strategies, industry trends and other useful information. This will also be a good time to network with your peers.
Presenters: Brandon Dennis, Instructor
Location: ITC 219
Transportation
Intro to MIG Brazing
MIG Brazing need to knows and MIG Brazing hands on demonstrations
Presenters: Phil Wideman, Instructor
Location: ITC 103, 103B
Automotive Technology Roundtable Discussion Trainers for Hunter Engineering will be demonstrating and explaining the latest tech tips and procedures used by technicians to align wheels on automobiles. The latest features of the most dependable alignment equipment in the industry will also be discussed. Please come and support the efforts of this long-time friend of education. You will learn things that will serve you in the classroom as well as the shop.
Presenters: Roger Cresson and Ron Freemon, Hunter Engineering
Location: ITC 115 and 119

THURSDAY, JULY 27TH MEETINGS

9:30 am – 11:00 am
MTTA Post Conference Planners Meeting
2018 Chairs, Chair-Elects and Program Planners Attend
Location: The Oasis Hotel and Convention Center – Saharah B

☐ TOTY (Less than 5) ☐ TOTY (5+)
☐ OUT SA ☐ Life MA
Reading of the Minutes: Minutes were read and approved from July 28, 2016.
Treasurer’s Report: Ted reported there was $19,150.45 in the account January 2016 Expenses: $2,820 in July 2016 for conference; $533.71 for mileage expense in January 2016. Balance as of end of January is $22,638.63 Membership continues to grow. ACTE is now sending to the bank the automatic deposit. It is being sent electronically to the bank due to a result of the unification. Ted can monitor the account online. Ted is also receiving email addresses of members and will check those against what is in our membership list on the Google Drive to ensure it is kept updated.

DESE/Legislative Update: CTE finance was a big topic of discussion; they are working on how to roll it out but looking at July 1, 2018 they will start with the new financial rules. He assured there will be more support for career teachers compared to HS teachers, and there will still be the $50 million for CTE budgets.

SkillsUSA Report: New district coordinator positions are being implemented so Joey can train those leaders to help the districts who may be lacking in certain areas.

Awards Nominations & Committee: Ed is disappointed again; sent out forms to those who expressed interest. Received notification forms are going away and all nominations should be sent through the ACTE online portal. Ed is trying to find out if we are still using the forms for the division-level nominations.

MTTA Website Presentation to the Board: Oscar suggested a menu item for corporate sponsorship. Angi suggested adding an Awards menu option with information about the awards and nomination information. Alan asked that we add to the agenda for the July business meeting to construct a new committee to update bylaws for a corporate membership. Ed will head this up.

We called Karen Mason on speaker phone. Oscar asked her for an update on the summer conference, so we are aligning with Mo-ACTE. Springfield contracts
have been signed and we are good to go. She has been working with ACTE since we are unified. She spoke specifically about the programs and they have to be able to print at least a month out. We touched base with her about planning. Vendors were discussed regarding leaving early, etc. She is also available to reach out to any vendors we want to see. We discussed the issue with the general sessions. Karen mentioned the Governor is planning on visiting with students in the rotunda from 9-10 during Legislative Day.

UNFINISHED BUSINESS:
Overview of MoACTE Summer Conference: Dorothy confirmed with board members room sizes.

Tuesday lunch for OTC members = Last year we served them Dominos pizza. We are in agreement to do this again for them annually. No need to mention this in future agendas as a voting item.

Business meeting should begin at 12:00 and end by 1:30p. Sponsorship was discussed. Dorothy said Bart Washer was willing to continue the UCM sponsorship. In an effort to curtail the length of the meeting, we would like to limit their time to 15 minutes to greet the group, etc. Oscar to make the contact and get it setup. Sponsors $1,500. Table tent cards to be placed on tables that say “Your PAC money goes to support….” Oscar to send Dorothy the text to put on the table cards.

Wednesday lunch at OTC. Ranken to sponsor the luncheon with Rib Crib again. Sandy retired from Ranken this year. Cluster reports were discussed. Graphics Cluster: A Print Crawl and visit all the print shops. Dorothy asks for a motion to approve the expense to reserve a 15-passenger van. Alan made the motion. Ed seconded. Motion passes. Transportation Cluster: Ed has not heard anything; Rodney is in charge. Construction Cluster: Career Connections is the IRC that is available that ties into the union and they have a presentation planned for how that all works. Service Cluster: Ralph hasn’t heard anything, nor has Dorothy. Manufacturing Cluster: Keith Dinwiddie sent paperwork to Dorothy but needed updated.

Program Deadlines: MTTA needs to get the ball rolling; we have new print deadlines. Program Planners need to respond! Dorothy suggested to Oscar to have a Quality Indicators session for everyone on Wednesday afternoon for All-Cluster Sessions.

Delegates: We need 5 (afternoon on Wednesday); based on last year’s membership so this number could change: Dorothy. Ed, Alan, Deonna

Motion made to adjourn by Alan. Janet seconded. Meeting adjourned at 1:30p.
