PATRIOT FIRE CONTROL ENHANCED OPERATOR/MAINTAINER (14E)

A PATRIOT fire control enhanced operator is responsible for operating/maintaining the entire PATRIOT missile system. An important part of the Army's air defense, they launch advanced technology ammunition that is capable of neutralizing multiple air targets.

TRAINING

Job training for a PATRIOT fire control enhanced operator requires 10 weeks of Basic Combat Training and 20 weeks of Advanced Individual Training with on the job instruction. Part of this time is spent in the classroom and part in the field under simulated combat conditions.

Some of the skills you'll learn are:

- Operating PATRIOT technology and rocket systems
- Calculating targets manually and electronically
- Artillery tactics and battle strategy

HELPFUL SKILLS

- Interest in missile and rocket operations
- Physically and mentally fit to perform under pressure
- Ability to multitask
- Plotting and reading maps
- Capable of working as a team member

CASH BONUSES

You could earn up to \$40,000 in cash bonuses for enlisting under certain Military Occupational Specialties. Visit goarmy.com/home/jobs-in-demand to see if this one qualifies.

EDUCATION BENEFITS

In the Army, qualified students can earn full tuition, merit based scholarships, allowances for books and fees, plus an annual stipend for living expenses. Learn more: goarmy.com/benefits/education-benefits
