PATRIOT LAUNCHING STATION ENHANCED OPERATOR/MAINTAINER (14T)

A PATRIOT launching station enhanced operator works directly with the PATRIOT launching stations. An important part of the Army's air defense, the PATRIOT missile system can launch advanced-technology ammunition that is capable of neutralizing multiple air targets.

TRAINING

Job training for a PATRIOT launching station enhanced operator requires 10 weeks of Basic Combat Training and 13 weeks of Advanced Individual Training with on-the-job instruction. Part of this time is spent in the classroom and part in the field under simulated combat conditions. Some of the skills you'll learn are:

- Operating PATRIOT technology and rocket systems
- Artillery tactics and battle strategy

HELPFUL SKILLS

- Interest in missile and rocket operations
- Physically and mentally fit to perform under pressure
- Interest in electronics
- Ability to multitask
- Capable of working as a team member

CASH BONUSES

You could earn up to \$40,000 in cash bonuses for enlisting under certain Military Occupational Specialties. Visit goarmy.com/home/jobs-in-demand to see if this one qualifies.

EDUCATION BENEFITS

In the Army, qualified students can earn full tuition, merit based scholarships, allowances for books and fees, plus an annual stipend for living expenses. Learn more: goarmy.com/benefits/education-benefits
