## **NORTH CAROLINA ASSOCIATION FOR CAREER & TECHNICAL EDUCATION**

With more than 86 years of experience, the North Carolina Association for Career and Technical Education (NCACTE) is the professional association for all career and technical educators at the state level, offering services to career and technical education (CTE) professionals. Membership in NCACTE is available to any CTE teacher, administrator, and/or support staff person that may be involved at the middle school, high school, central office, community college, or the university level. NCACTE services and benefits include the following:

- Employs a professional lobbyist to manage our legislative advocacy efforts.
- Publishes a weekly legislative newsletter.
- Provides professional development opportunities.
- Provides a NCACTE website at [www.ncacteonline.org](http://www.ncacteonline.org).
- Provides an awards program that recognizes outstanding accomplishments as a CTE professional.
- Publishes three editions of NCACTE NEWS per year.
- Manages the Exhibit Trade Show during the NC Department of Public Instruction's CTE Summer Conference.
- Sponsors a Fall and Spring Professional Development workshop.
- Sponsors a training workshop for state level officers and committee members during the NC DPI CTE Summer conference.

As a CTE educator you may join NCACTE and the national organization, ACTE. By joining both of these professional associations, you will receive information from both a national and state perspective, have access to peers in state and across the country, and benefit from state and national advocacy. Working together, ACTE and NCACTE give you the tools, resources, and information you need not only to be a successful educator, but also to help you guide America's future workforce and develop the next generation of CTE educators.

ACTE and NCACTE are committed to your individual success and the promotion and support of CTE as a whole. We are the only professional organizations that are totally committed to serving the interests of career and technical education. The advocacy efforts alone justify the small price you must pay to become a member. Thank you for being a part of your professional organization.

## NCACTE STRATEGIC PLAN

### **Strategic Plan 2017-18**

The primary objective for 2017-2018 will be to bring NCACTE together as an organization where we all work together to promote CTE – ALL FOR ONE AND ONE FOR ALL. We will focus on the Organization's Mission, "*to provide educational leadership in developing a competitive workforce in the state of North Carolina*".

Goal 1: Strengthen working relationship between NCACTE & ACTE by leveraging ACTE resources to enhance member value.

- Utilize ACTE materials to recruit new members.
- Utilize ACTE resources to provide additional benefits to members.
- Utilize ACTE services to streamline administrative tasks, resulting in conservation of man hours and financial resources.

Goal 2: Strengthen working relationships between NCACTE Divisions

- Create opportunities for divisions to interact outside of committee meetings.
- Facilitate understanding of program areas and offer opportunities to explore related industries and educational opportunities so experiences can enhance instruction and advising of students.

Goal 3: Strengthen working relationship between NCACTE and NCDPI

- Provide professional development opportunities in conjunction with DPI.
- Strengthen leadership and advocacy opportunities with DPI.

# **NCACTE MEMBERSHIP PLAN 2017-2018**

## **1. Establish goal and philosophy for membership**

**A.** Increase membership by 5% for the 2017-2018 -fiscal year.

**B.** Goals and philosophy accepted by Board:

- “Membership retention is a primary goal and responsibility of the Divisions of NCACTE and members of the NCACTE Board of Directors. We understand that this involves personal contact of potential members by Division officers and NCACTE Board Members. Also, we understand that a commitment of financial resources will be required to accomplish this goal.”

## **2. Provide membership brochures from ACTE.**

## **3. Secure New Member packets from ACTE and distribute to new members.**

## **4. Membership campaign during Summer Conference.**

**A.** Divisions will develop and implement recruitment strategies to take advantage of opportunities for “personal contact selling” of membership benefits.

**B.** Division presidents will ensure all potential members understand the Unified membership plans.

**C.** Division presidents should report to the Membership Committee Chairperson of their plans at the committee meeting during Summer Conference.

**D.** Encourage retired educators to join and act as recruiters.

**E.** Encourage Career and Technical Education Directors to recruit members in their local units.

**F.** Encourage membership recruitment at all local, state, and national meetings.

## **5. Provide and publicize member benefits**

North Carolina Association for Career and Technical Education

# **Legislative Platform**

*Approved by Assembly of Delegates on July 26, 2017*

Legislative Platform

2017-2019 Biennium

NCACTE will continue to keep legislators and other policymakers informed on how Career and Technical Education positively affects graduation rates and lower dropout rates statewide. To accomplish this platform, NCACTE supports:

- Keeping in place, and preferably increasing, the current level of state funding and innovative programming for CTE.
- Funding and support for Career and Technical Student Organizations and enhanced recruitment and retention efforts for CTE personnel.
- Ensuring that CTE is an integral part of dropout prevention, workforce development, and economic development programs. NCACTE will closely monitor legislation that relates to CTE students in public schools and community colleges.
