

Pre-Conference Workshops

2018 MoEFACS Division (Family Consumer Sciences)

All workshops in University Plaza (UP) unless noted otherwise.

Monday, July 23, 2018

Time	Location	Class	Presenter	Fee	Subtotal
8 a.m.- 12 p.m.	Meet at University Plaza Hotel Foyer at 7:45 a.m.	Child Development Workshop/Tour We are hoping that you will come spend some time visiting some early childhood attractions in South Springfield. We will meet at the University Plaza Hotel (conference wing) and carpool to The Goddard School 2238 W. Kingsley. Then we will have some fun browsing and sharing ideas to engage students at IPA Educational Store, 2484 W. Kingsley. This will be followed by a tour of a Discovery Center called Itty Bitty City, 3640 South Campbell. If possible we will fit in a tour of James River Weekday Preschool before returning to University Plaza Hotel around noon.	Rachelle Banhart	No fee	
8:00-9:30 a.m.	UP – Arkansas	Introduction to the Basics of Canvas in the FCS Classroom Is Canvas new to you? Is your district implementing this new learning management system? In this session you get a brief introduction to the Canvas platform and learn how to use the system for daily discussion questions, quizzes and grading.	Sarah Genenbacher, Liberty High School	\$20	
9 a.m.-3 p.m.	MSU Pummill Hall Rm. 404, 901 S. National Ave., Missouri State University Leadership Facilities	A Sustainable Classroom: Bringing It to the Table After 15 years of restaurant management experience, presenter Wejeana White brings her expertise to the classroom! Expand your knowledge in reducing food waste and learn best practices for creating a sustainable classroom. Participants will gain valuable information on the economic and health advantages of eating locally grown fruits and vegetables. LIMITED TO 20 PARTICIPANTS	Wajeana White	\$100	
9 a.m.-4 p.m.	UP- Kansas A	New/Returning Teachers This workshop is designed for FCS & HS teachers who are new to teaching family consumer sciences and/or those returning to the field. The first year poses a unique set of teaching challenges. Prepare for the upcoming school year with veteran Missouri FCS & HS teachers representing all grade levels as they provide information and resources on a variety of FCS & HS related topics. Bring your own fully charged device and extension cord.	Tracey Eatherton Betty Glasgow	\$25	
9 a.m.-4 p.m.	Ozark High School Meet at 8:30 a.m. in University Plaza Hotel Foyer. Then drive to Ozark High School, 1350 West Bluff Drive, Ozark.	Apparel, Textiles & Interior Design Pathway – Design Fundamentals Course Resources Are you planning to implement the Apparel, Textiles and Interior Design Pathway at your school? Are you already offering these courses, but need resources to launch your introductory course? If so, this session is for you. In this full day pre-conference session you will be given all the resources you will need to teach the Level 1: Design Fundamentals course. The first 1/4 of the day will be spent going over the course objectives, unit plans, and daily lessons. The remaining 3/4's of the day will allow for HANDS ON work! Several of the actual suggested textile construction unit projects will	Lexy McNew	\$100	

		<p>be constructed from start to finish during the session. Materials included in this session include the course scope and sequence, daily focus questions, lesson handouts and rubrics for all projects. Basic sewing skills are necessary to keep up with the hands on portion of this unit, but advanced sewing skills are not necessary.</p> <p>LIMITED TO 20 PARTICIPANTS</p>

1 p.m.-4 p.m.	UP Colorado A	<p>The Science of Yeast in Baking</p> <p>Baking builds STEAM and achieves 25+ FCS standards for CTE and FCS classrooms. Ingredient sciences related to yeast include flours, fats, sugar, salt, temperatures, liquids, food safety and nutrition. Successful combinations result in highly marketable bread products for child care, food services, families, communities and restaurants. The nonprofit Home Baking Association bridges the gap between family baking and culinary baking terms, techniques and exists to serve FCS and CTE educators. Join HBA's FCS teachers to gain proven classroom baking methods, hands on yeast lessons, bread technique demos and FCCLA service. This session will address how you can fit yeast science and breads into 42 minute or longer classrooms and increase your comfort in teaching and marketing Missouri farm-to-table yeast-leavened products. Take-away ready-to-apply baking resources plus more at HomeBaking.org</p>	Sharon Davis	\$25	
1 p.m.-4 p.m.	UP Colorado B	<p>Apparel, Textiles and Interior Design Pathway Workshop:</p> <p>Textiles – Bringing STEM into your FCS Classroom</p> <p>This workshop will provide you with the skills necessary to implement STEM-based textiles instruction and projects in you classroom. The topics will include wovens vs knits vs non-woven fabrics, natural synthetic fibers, matching fabrics with intended uses and basic textiles testing techniques. Participants will receive lesson ideas and participate in a variety of hands-on activities and lab.</p>	Lori Krug	\$45	
2 p.m.-4 p.m.	Outside Colorado A and B	<p>Missouri Beef Council</p> <p>Come and go opportunity to see how beef resources can work in your classroom labs and the impact it can have on student engagement.</p>	Samantha Riley	FREE	
7 p.m.-9:30 p.m.	1550 E. Battlefield Rd., Suite M-2, Springfield	<p>MoEFACS Social Event</p> <p>Following dinner, attend the AR Paint Workshop, located in the same strip mall as Big Whiskeys (within walking distance). You DO need to sign up in advanced to have your custom stencil made prior to the event.</p> <p>Register and pay for AR Workshop online at www.arworkshop.com/springfield/events/moefacs-private-party Password is TEACHERS</p>	Lexy McNew	Use web-site to pay	

Tuesday, July 24,2018

2 p.m.-3 p.m.	<i>University Plaza Hotel – Colorado A</i>	<p>Food Science and STEM in Baking</p> <p>Baking builds STEAM and achieves 25+ FCS standards for CTE and FCS classrooms. Ingredient sciences related to yeast include flours, fats, sugar, salt, temperatures, liquids, food safety and nutrition. This will not be the same presentation as Monday, new ideas and baking connections will be made.</p> <p>Pre-Conference Registration is not required for this workshop and there is no fee to attend.</p>	Sharon Davis Home Baking Association	No fee	
2 p.m.-4 p.m.	Meet in UP Foyer	<p>Child Development Tour</p> <p>Take a tour and learn about one of the fastest growing children's programs in the Springfield area. Check for a poster or sign at the Conference for current details. We hope to tour this parochial program, James River Weekday Preschool, that is meeting student developmental needs and attracting children and family involvement.</p>	Rachelle Banhart	No fee	

2 p.m.-4 p.m.	Meet in UP Foyer	Cosmetology Tour Come join us for a tour at Salon Service Group and State Beauty Supply. Salon Service Group will be providing a tour of their facilities, explaining their services and resources they provide to their license cosmetologist customers. At State Beauty Supply you will get a tour of their establishment, education about their products, and discuss new trending products in the industry. Time to shop at the end for all attendees (even if you are not a licensed professional.)	Kretia McMillan	\$20	
2 p.m.-4 p.m.	UP Colorado B	FCCLA STAR Events Resource Fair STAR Events meet Science Fair: I just need to see some examples! Want to see what exceptional STAR Events look like? Have ideas but don't know how they fit into STAR Events? Come check out the STAR Events Resource Fair where you can look at projects and ask questions about events, guidelines, and anything else STAR Events related.	Donna Sharp	FREE	
4:30 p.m.-7:30.p.m.	UP Colorado A	FCCLA Boot Camp FCCLA Boot Camp is a must for new and returning teachers or any current teacher that is looking to get more involved in FCCLA. This workshop will cover everything from basic FCCLA knowledge to how to get students involved to ways use FCCLA to impact the community. This workshop will allow for additional breakout options integrating FCCLA into curriculum, utilizing STAR Events, and getting involved at the regional, state, and national levels to meet the needs of all participants. Bring your own fully charged device and extension cord.	Debra Price	\$45
