A. Strategic Direction Contributions

Since the last Board meeting, what have you and your policy committee members done to represent and serve your Region/Division members in the following areas?

Member Value & Engagement
Ex. Growing Membership // Engaging Members // Recruiting New Leaders // Developing Leaders
- Added one additional Policy Board member to increase the total to 14 members.   - Secured a Policy Chair for the eTED Division and also filled all three standing committee vacancies.   - Promoted leadership opportunities (ACTE Fellowship & VP Elect Position) in spring newsletter.   - Created handout materials for the Region III conference in LaCrosse, Wisconsin in June. Materials developed were to increase awareness and membership for the eTED Division in the six states that make-up Region III.

Professional & Leadership Development
Ex. Sourcing Topics and Presenters (for Conferences & Online) // Evaluating Sessions
- Reviewed and secured 20 eTED Division presentations for VISION 2018 in San Antonio.   - Provided information to division members related to online and virtual courses being offered through ACTE and partner companies and organizations.

Advocacy & Awareness
Ex. Sourcing & Showcasing Positive CTE Stories // Advocating for CTE
- Participated in three Capitol Hill visits with Indiana legislators during NPS in March.   - Met and spoke with Senator Todd Young (Senate CTE Caucus) at the CTSO reception at NPS   - Contacted the office of Indiana Congressman Todd Rokita concerning Perkins reauthorization.   - Submitted a presentation for the Indiana ACTE Conference in September of 2018

Strategic Partnerships

Ex. Identifying Potential Partners // Developing Relationships with Key & Potential Partners

Established contacts with the following organizations and businesses with the intent to form partnerships with the division.

- Asia Society – VISION Presenter/new STEM program launching soon/newsletter promotion.
- VMWare – Newsletter promotion/recent conference call to provide presenter information for professional development opportunities.
- Life Journey – Participated in conference call with CEO and ACTE staff.
- Make Ed/Digital Promise – Participated in conference call to discuss possible opportunities.

Innovation

Ex. Sourcing Models of Innovation // Identifying Emerging Trends, Industries, New Technologies

- eTED Division Awards have been restructured and approved by the policy board. Policy Board will now begin the process of writing and refining the application submission criteria and the award descriptions. Finalized awards will be voted on at VISION 2018 in San Antonio. New awards will be in place for 2019.
- Discussion with the eTED Policy Chair at NPS to revise the leadership structure within the division.
- Obtained information about ACTE's current policy related to changing the name of a division.
- Incorporate new partners who can assist with adding more current innovative trends for the division. Many leads have been established with various companies and organizations.

B. Succession Planning

Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

- Continue to shape the division to reflect the current demographics of the members (incorporate more opportunities for educators involved in STEM and STEAM). Continue process of updating eTED Division policy and target ACTE Regions for increased membership.

C. Region/Division Concerns

What are your concerns for your Region/Division specifically?	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
Securing Partnerships	Meaningful contacts for both ACTE & the eTED Division.	Help with following up on contacts and providing ideas to help secure partnerships.

More division activities at VISION and NPS	Increased division membership and increased awareness.	Longer opening sessions for divisions and possibly more dedicated time allotments.

D. Items to be placed on the Board Agenda for Discussion:
