Nancy J. Trivette, Region I Vice President opened the meeting at 9:00 am with introductions.

1. Chester Wichowski, PA CTEC President welcomed Region I members to the PA CTE conference. He told members that a review of the skill component updates were available at the conference. SOAR (Student Occupational and Academic Ready), Pennsylvania’s programs of study with articulation agreements will be discussed and he and the conference staff were excited to have several keynote speakers including PA Congressman Glenn “GT” Thompson and Nancy Dischinat, Executive Director of the Lehigh Valley Workforce Investment Board participating.

2. Lina Perez, ACTE Membership Manager, discussed a drop in membership over the last five (5) years. She identified the economy as a possible reason; but now expects stabilization. ACTE has used a survey to find the cause of the decrease. The responses identified several issues including fewer renewals. In August she plans to visit schools in Maryland, Virginia and Washington, DC to share information about ACTE with teachers. There will be open houses with professional development events conducted. She plans to work as a team with state leaders to grow the organization. Social media has been helpful to increase awareness. Benefits of membership will be featured each month. Membership Mondays will promote joining state associations of ACTE as an example of a marketing program to increase membership.

3. Alice Davis, PA President Elect, joined the meeting to welcome Region I members.

4. Jim Comer, ACTE President, is encouraged to have Lina Perez, join ACTE as our new membership manager. ACTE has been reinvented, and is more in tune with state and regional issues and membership services. ACTE has strong leadership and finances and will continue to set goals to serve CTE and our membership.
