ACTE

Alexandria, VA 22314

Dear ACTE:

I am writing this letter on behalf of my co-worker, Elaine Webb, who has been nominated to run for the Region II Vice-President position. Elaine and I have worked together for four years, and I can attest to her dedication to CTE overall as well as to her involvement in ACTE.

Over the past four years since coming to work for Franklin County Schools, Elaine has strived to be the very best SPC/CDC. She has succeeded in earning her Ed.S. and additional licensures in the CTE area all while serving our students to the best of her ability. She is always willing to help anyone who requests assistance in our and other departments and demonstrates strong leadership traits.

It is my pleasure to recommend Elaine for the position of ACTE Vice-President, Region II. Please feel free to contact me if I can be of further assistance.

Sincerely,

Kim Howell

It is indeed my pleasure to write this letter of support for Elaine Webb as Regional II Vice President for ACTE. Elaine has been employed with Franklin County Schools for four years and has worked diligently to enhance the activities of the Career and Technical Education Program. Elaine has been an ACTE Fellow, completed the NCDPI CTE Director Internship and has just completed her Educational Specialist degree from East Carolina University with a 4.0. She is a hard worker and often goes above and beyond the call of duty for the success of the students with whom she works. Elaine has been instrumental in the founding of a FIRST Robotics team for our high school students. This team in its fourth year of existence has grown in membership and just this year won a competition. Elaine will serve ACTE well as Region II Vice President and make Franklin County Schools proud.
