Horace Mann

“My object is to show that education has a market value; that it is so far an article of merchandise, that it may be turned to a pecuniary account: it may be minted, and will yield a larger amount of statutable coin than common bullion.”

Today's Goals

- “ #1: Reinforce the importance/value of high quality CTE and your role in supporting it
- “ #2: Identify ways for industry sector trade organizations to collaborate
- “ #3: Consider what role ACTE can play

Today's Agenda

- “ Setting the stage (ACTE)
- “ B: Challenges and successes
- “ P: National initiatives
- “ B: Communications
- “ P: Best practices
- “ B: Planning
- “ Report out, next steps
