

## **NCACTE Fellowship for Leadership Development Program**

The NC Association for Career and Technical Education recognizes the need for a Leadership Development Program to educate members about the association and CTE education promotion. Completion of this program will provide participants training to become productive leaders in Career and Technical Education.

### **Purpose:**

1. Provide an opportunity for members to further their leadership skills, to grow and develop leadership skills for other CTE educators.
2. Provide an opportunity for CTE Educators to become familiar with NCACTE and to participate in this professional Association at the state level.
3. Allow the fellow to become familiar with the process policymakers utilize in the development of legislation in NC that effect education.
4. To create a pool of leaders who will continue in NCACTE as leaders, motivating others to become members and become actively involved in our state.

If you are interested and meet the eligibility requirements, please consider completing the form at the end of this email. The Fellowship Program is a one-year commitment beginning of Summer Conference July 14,2019 through July 1, 2020.
