Audiovisual

NMACTE will provide construction of the workshop within the contracted space and will include chairs, projection screen, and projector. You will be responsible for the laptop and/or presentation software and handouts. The official layout will be theater style, unless special accommodations are needed.

Application

Please Note: Due to limited space, workshop times and availability will be determined on a first-come/first-served basis. The Region IV / NMACTE Conference Committee will respond back with you regarding your proposal acceptance by May 15, 2019. To be included in this determination, applications must be in by May 1, 2019.

Presenter Registration Fees

Presenters will not need to pay the full registration fee. Please send in your registration of \$75.00 for the conference attendance. (Unfortunately, we can only provide one presenter for the workshop a half-price amount). If other accommodations are needed, please let us know.

Attendees / Items of Interest

We are expecting not only CTE teachers but administrators, counselors, and post-secondary personnel, as well. Please provide workshops that will interest as many of the participants as possible. Items of interest (although not limited to): technology in the classroom, certification programs, outstanding CTSO / instructional practices, career academies, smaller learning communities, CTE research findings, and industry specific training (both secondary and post-secondary) in Culinary Arts, Automotive Technology, Business & Marketing, Computer Technology, Agriculture, Building Trades, Health Occupations, Welding, and Family & Consumer Sciences.

Schedule / Availability of Time for Workshop

The breakout workshops will be held on a rotating-schedule throughout the conference. The workshops must be limited to 50 minutes in order to obtain the maximum availability of time and subject.
