

ALASKA ACTE TOUR OF AVTEC

Wednesday, October 16, 2019

Enjoy a scenic fall road trip to Seward on your way to tour the Alaska Vocational Technical Center (AVTEC), the State of Alaska's post-secondary vocational technical training center. See the campus and experience a day in the life of AVTEC students by lunching in the cafeteria where you can visit with current students and get first hand stories of their training experiences at AVTEC. You will visit classrooms and watch as students hone their skills in AVTEC's hands-on labs. Operated by the Alaska Department of Labor and Workforce Development and nationally accredited by the Council on Occupational Education, AVTEC has trained Alaskans for work in Alaska for more than 50 years. Sign up for this tour today and see what AVTEC is all about!
