

## PLSP-ECMC FOUNDATION FELLOWS' PRESENTATIONS AT VISION

THURSDAY, DECEMBER 5, 2019

- **3:15 PM - 4:15 PM — THE POWER OF PROFESSIONAL LEARNING COMMUNITIES IN CTE**  
 Nzingha Williams, Lynne McCoy and Rachel Andre  
*Are you an innovative thinker? Did you come to VISION to build your network and share ideas? Join three ACTE-Postsecondary Leadership Success Fellows in an engaging session on how to build an innovative learning community to strengthen your CTE programs.*
- **4:30 PM - 5:30 PM — CHANGING THE PERCEPTION OF CTE THROUGH PROFESSIONAL DEVELOPMENT**  
 Andrea Golden-Pogue, Crystal Latham and Carrie Scheiderer  
*In this interactive and energized session, participants will not leave empty handed! This session is dedicated to the perceptions surrounding CTE and professional development.*

FRIDAY, DECEMBER 6, 2019

- **10:30 AM - 11:30 AM — OVERCOMING CHALLENGES FOR RURAL CTE PROGRAMS**  
 Hahli Rogers and Claire Van Der Plas  
*Discuss the best practices and opportunities when facing challenges that make small rural CTE programs different from their big city counterparts.*
- **11:45 AM - 12:45 PM — BRINGING ACTE'S HIGH QUALITY CTE STANDARDS TO LIFE**  
 DeAnna Little and Frank Polen  
*As you look at the ACTE High Quality CTE Framework, learn from two high performing districts from leading CTE states in Oklahoma and Ohio how to implement the high quality standards.*
- **2:00 PM - 3:00 PM — CREATING, MANAGING & SUSTAINING COMMUNITY/BUSINESS PARTNERSHIPS**  
 Jacob Kassuba and Rosario Torres  
*This presentation will take a close look at how four postsecondary institutions leverage business community partnerships to help achieve workforce needs.*
- **3:15 PM - 4:15 PM — PARTNERSHIPS + PERSISTENCE: A COLLABORATIVE STUDENT SUPPORT MODEL FOR SECONDARY TO POSTSECONDARY TRANSITION AND STUDENT NEEDS**  
 Dominique Footes  
*This session will explore the impact of secondary and nonprofit partnerships with postsecondary transitions for students in K-12 and secondary adult education programs.*
- **4:30 PM - 5:30 PM — EFFECTIVE PERCEPTIONS OF CTE IN HIGH SCHOOLS**  
 Torrie Costantino, Jeff Henderson and Diana LaBelle  
*This session will present data from surveys on the perceptions of high school students, parents and counselors before and after school visits, marketing materials and group discussions designed to inform constituents of the benefits of CTE programs at community and technical colleges.*

SATURDAY, DECEMBER 7, 2019

- **8:00 AM - 9:00 AM — ENGAGING ADULT CTE LEARNERS: A MODEL FOR URBAN COLLEGES**  
 Sharnee' Hobbs and Georgia Reagan  
*In this session, we will discuss the successful models of enrollment processes and support systems that are used in two urban colleges to engage and retain adult students in CTE pathways.*
- **9:15 AM - 10:15 AM — DEVELOPMENT OF CAREER AND TECHNICAL EDUCATORS IN THE POSTSECONDARY ENVIRONMENT**  
 Brandon Hudson and Bryanne Peterson  
*This session will explore the need for increased professional development and training for postsecondary career and technical educators, including action steps and evidence-based ideas for implementing and assessing an instructor training program at your institution.*
