In Partnership with
 **ete WORKING WONDERS**

Creating or expanding a career readiness program is no small task.

WE OFFER MULTIPLE PATHWAYS* IN FIVE, HIGH-DEMAND CAREER FIELDS:

-  Information Technology
-  Health & Human Services
-  Manufacturing & the Trades
-  Business
-  Agriculture, Food & Natural Resources

STUDENTS CAN ENJOY THESE BENEFITS:

Project based curriculum: learn work-ready professional skills by collaborating with peers on projects

Certification prep: get qualified to start earning money right after high school

Work experience and industry exposure: connect to opportunities for job shadowing; live, online sessions with industry professionals; internships and apprenticeships

Career clubs: enroll in Career & Technical Organizations (CTSOs), take field trips, and work on service projects

College credits: get a head start on a major and save money on the cost of college**

* Specific pathways vary by state

**Eligible high school students may earn college credits on select courses
