Re: Legislative Day – February 12, 2020

Dear CTSO Advisors:

Attached is the information and invitation for the Missouri ACTE Legislative Day for your CTSO advisors and students. Please see that this information is distributed to all advisors that would be interested in participating in Legislative Day and having their CTSO students participate. **This year we do have space on the 3rd floor rotunda reserved so we need a lot of displays for the legislators to view and participate in if applicable. It would be great if we could have one display from each of our Missouri CTSO's.** If you have any questions please call me at call Karen Mason at 417-850-3566 or email pkmmason@leru.net or masonk@eastnewton.org.

We look forward to another successful Legislative Day with our CTSO Representatives.

Sincerely,

Karen Mason

Karen Mason
