

NYSACTE is the advocate for Career and Technical Education, an integral part of the total education system in New York.

## Regional Meetings to Discuss Review of NYS Graduation Measures

The Board of Regents and NYSED this week announced the [first regional information meetings](#) to be hosted across the state to gather feedback on what a state diploma should signify to ensure educational excellence and equity for every student in New York State. The meetings are an integral part of Phase I in the Board and Department's review of graduation measures and will offer opportunities for stakeholders and members of the public to share input. The draft Graduation Measures Review timeline has also been amended to allow more time for these meetings and to conduct the literature review.

The list of meetings is available on our dedicated [Graduation Measures website](#). Dates are being added and modified, so please check back regularly for the latest information. If you cannot attend a meeting but would like to provide feedback, there is an online survey of our five guiding questions on our [Graduation Measures website](#).
