

This year the SDACTE Board of Directors decided to promote the ACTE Achieve 100 Award. This Award recognizes schools who offer a minimum of 2 CTE courses whose instructors belong to SDACTE/ACTE. As a recipient of this award, these schools join the ranks of institutions that demonstrate a high level of commitment to professional growth and maintaining the relevance of instruction to the evolving workplace. These schools were recognized in the May publication of **Techniques** and will also receive special recognition at a Celebrating CTE session Tuesday afternoon of summer conference. The intention is to heighten the public awareness of CTE and the professionalism of our schools and educators.
