Tahoe CTE
20/20
Perfect Vision for CTE

Join us for the 2020 Region V Leadership Conference in beautiful Lake Tahoe, Nevada. Great CTE professional development and opportunities for leadership growth are waiting at the Jewel of the Sierra. Come and see how clear your vision of Career and Technical Education can get.

See you there!

Harvey's Lake Tahoe Resort
April 22-25, 2020

The Coronavirus outbreak is a constantly changing and evolving public health situation. Based on information from the Center for Disease Control, Nevada Department of State Health Services, and the Cities of Reno and Lake Tahoe, the threat of COVID-19 to the general public remains low.

Nevada ACTE is continuously monitoring the situation and following recommendations of scientific and health agencies in all of our decisions.

The 2020 Region V Conference will take place, as scheduled, April 22 - 25, 2020, in beautiful Lake Tahoe.

The health and safety of everyone at our event is our primary focus and priority. Nevada ACTE is working closely with Harvey's Stateline Casino and other venues where 2020 Region V events will take place to ensure appropriate measures are in place.

Region V Conference attendees are encouraged to practice healthy hygiene habits, and to consider alternative ways of greeting friends and colleagues on-site. We realize that CTE educators are a friendly group, but now might be a good time to forego a hug or a hand shake for another form of greeting.

Hundreds of volunteer hours have gone into creating an amazing conference. With all of the professional development sessions that have been planned, Keynote speakers, and vendors attending the conference, the 2020 Region V Conference is an outstanding professional development opportunity we are excited to share with CTE professionals throughout Region V.

We will continue to closely monitor the Coronavirus outbreak, and will post updates, as needed. Thank you for your support, and we look forward to seeing you in Lake Tahoe.
