What are your concerns for your Region/Division specifically?	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
---	-------------------------------------	--

<i>Continue to build membership. Challenge with so many non-unified states.</i>	<i>Diversity of Divisions is a strength of ACTE. Hard to build membership with state unification.</i>	<i>Continue to dialogue and develop strategies to encourage unification and continue to build membership.</i>
