Re: Postponement of 2020 Trade Show

Date: May 8, 2020

Thank you so much for your interest in participating in the SDACTE Trade Show. The South Dakota Association for Career and Technical Education (SDACTE) is postponing Summer Conference 2020 due to COVID-19. After careful consideration, lengthy discussion, valued input from our membership as well as the staff at the DOE/CTE, and Lake Area Technical College leaders, the SDACTE Board of Directors has decided postponing the SDACTE Conference one year is in the best interest of everyone involved for health and wellness reasons.

While SDACTE 2020 will not be held this summer, please mark your calendar for July 25-27, 2021, on the campus of LATI in Watertown. You'll be receiving an invitation to participate in our Trade Show on Tuesday, July 27th, shortly after the first of next year.

Thank you again for your interest and support of Career and Technical Education.

Mission Statement

The mission of the *South Dakota Association for Career and Technical Education* to provide leadership and assistance to educators in developing a prepared and competitive workforce.
