

Pharmacology for Medical Careers 50% Discount

Health Science Educators:

PassAssured would like to help during this difficult time of seclusion. Do you need online resources to help keep your students engaged while working from home, learn valuable information and potentially earn a national certification?

Use this complete online program for 120 days for just \$150/student!
(Regular price is \$299/student/year)

This offer is valid only during the month of April 2020 and program will expire in 120 days (August 31, 2020).

Place orders via admin@passassured.com or choose 'contact us' via www.passassured.com.

PassAssured works with the most recognized certifying agency: PTCB

Pharmacy Technician Training Program = \$150

PTTP \$150 + PTCE(PTCB exam) \$129 = \$279
