13:59:34 From peterson-anne : I see it. I am not going to be able to be on the zoom for very long. We are doing registration today.

14:00:43 From Diane Walker : Sorry, I'm eating lunch - will turn on camera in a minute. :)

14:00:46 From Cecy De La O : Good afternoon to everyone from El Paso!

14:03:21 From Kim Guy : I'm sorry but I don't see the google doc to access

14:05:19 From Steve Klein : Can you post the access into the chat?

14:10:07 From Diane Walker : Region V is planning for a blended Leadership Conference in mid-April, also - fingers crossed.

14:11:18 From Kelli Diemer : Fear not! ACTE is watching these dates carefully so not to overlap again. Thanks for the reminder.

14:13:16 From Diane Walker : California does not have any state divisions, but we do have lots of folks interested in WBL.

14:30:31 From Therese Marzouk : Would be a great idea to see that "signing day" expanded to ANY Post-secondary signing.

14:31:27 From Diane Walker : There have been some cool CTE post-secondary signing days that I've heard of with sports figures helping (e.g., NFL quarterback).

14:32:04 From Therese Marzouk : That is cool, Diane Walker!

14:33:22 From David Bird : Signing Day was designed after the NFL signing day in February, we had to change the date because of registration but kept the model.

14:33:35 From Marianne Moore : We have several Project SEARCH and Start on Success programs across VA and graduation is a huge deal, plus an opportunity to let the employer sponsor to be recognized.

14:34:55 From Diane Walker : Our district recognizes industry partners annually with our "Bridge Awards" - each pathway or academy teacher can nominate an individual or business, and then we do a breakfast event where an excerpt of their nomination is read and they are presented a trophy.

14:35:27 From Brian Jackson : In February, we have a "Jamboree" for our CTE program recruitment. What makes that fit in a WBL realm, is, we partner with local and area businesses and have the kids interact with them. It's a drawing with our sending school kids, as well as building the relationships with future employers!

14:35:29 From Therese Marzouk : Great ideas!!

14:36:16 From Diane Walker : dwalker@avhsd.org

14:39:12 From Diane Walker : Good mix, @Brian! We do something we call "Salute to Youth: Career Connection" where we bring in employers to do interactive career-readiness displays/activities with our 8th/9th graders, and our academies also display so they learn what they can join in high school.

14:40:05 From Marianne Moore : I like that title--Salute to Youth-

14:40:50 From Cecy De La O : I lost connection, not sure if my comment posted. Ysleta ISD had their first Career Signing Day last year and we hold an annual employer Appreciation Banquet, I believe we are on our 54th. Please email me if you would like copies of files - Ldelao@yisd.net.

14:41:42 From Diane Walker : Thanks, Cecy!

14:49:22 From Jan Jardine : I'm happy to help. janj@provo.edu

14:51:16 From Therese Marzouk : That is great - I missed that webinar but was interested in the Insurance aspect too.

14:51:57 From David Bird : thanks everyone!!

14:52:48 From Diane Walker : Have to hop onto another call - thanks for all of the wonderful ideas! Have a relaxing weekend!

14:53:42 From Jay Keuter : Thanks for the updates and future opportunities as well. I have to transition to another call but look forward to connecting again in the near future.

14:53:59 From Regine Childs : Thank you Kelli for everything! Can you please resend the link to the folder. I am unable to find it...

14:59:47 From Cecy De La O : I will be working with Junior Achievement this semester to put together a Virtual Career Fair for Middle School.

15:01:26 From Cecy De La O : Thank you, Kelli and everyone! Have a great weekend!
