

ACTE CORPORATE MEMBERSHIP

Position Your Company to Prosper

ACTE fosters relationships with corporations that support career and technical education (CTE) and leverage student potential, ultimately leading to innovation, increased productivity and heightened creativity within your company. A tremendous opportunity to expand your network with CTE educators, stakeholders, and programs, your ACTE Corporate Membership connects you to our thriving community of CTE professionals and contributes to our country's efforts to thrive economically and compete globally.

Corporate Membership dues are \$1,200 per year. Join the thriving education community and help shape CTE curriculum, programming, and career opportunities!

CORPORATE MEMBER BENEFITS

Once you have joined, we will work with you individually to customize a collection of benefits tailored to your specific needs. The noted benefits on the right side of this document are some possible opportunities for engagement with our members and the CTE community at-large. Upon execution of your company's membership, we will arrange a one-on-one consultation with your primary contacts to tailor a benefits package to your company's needs.
