

PRE-CONFERENCE OPPORTUNITIES:

CTSO ADVISOR ACADEMY 2020:

We are excited to provide training that covers key content for operating a high-performing CTSO chapter!! Chapter resources, workshops on strategies and chapter management, CTSO breakouts for BPA, DECA, Educators Rising, FCCLA, HOSA, SkillsUSA, TSA, and much more will fill this one day of advisor professional development. Come ready for networking, high energy workshops and fun! **This is FREE!**

NCCER INSTRUCTOR CERTIFICATION TRAINING:

The NCCER Instructor Certification Training Program is designed to prepare instructors for their place in the classroom using the NCCER standardized curricula. NCCER's ICTP is one step in helping build a strong skilled workforce for the future. By preparing craft instructors to deliver needed training, the ICTP is a small part of the larger construction workforce development system. **Price is \$400** which includes 24 hours of instruction, all curriculum, and certification exam costs.

CAREER DEVELOPMENT & GUIDANCE NETWORKING:

This wonderful networking opportunity will bring professionals together to learn and discuss from each other! Several wonderful speakers are providing insight to discuss topics such as: building professional relationships within your community, job connections and how to match up students, counseling oversight from a school district with best practices, alternative licensure with questions answered, and an update on the governor's, state, and CTE priorities and curriculum solutions. **This is FREE!**

PRICES:

BEFORE AUGUST 31:

- \$185 for NMACTE members
- \$225 for non-NMCAE members
- \$295 for registration with paid National & State Annual Membership

AFTER AUGUST 31:

- \$210 for NMACTE members
- \$250 for non-NMCAE members
- \$335 for registration with paid National & State Annual Membership

OPENING KEYNOTE:

RACHAEL MANN is an "edufuturist" who believes in the importance of shaping the educational philosophies and spaces of today by looking toward the innovations of tomorrow. She speaks and writes about disruptive technology, education, and careers. She is the author of "The Spaces You Will Go" and co-author of "Martians in Your Classroom", an educational title about integrating STEM into the classroom utilizing space-related initiatives.

Rachael holds an MA in educational leadership and was a career and technical education instructor for 14. Ms. Mann's experience includes her work as the Network to Transform Teaching State Director, the Professional Learning Director of STEM, and the Arizona State Director for Educators Rising.

From professional growth to motivational talks to workshops, Rachael loves to inspire audiences to think bigger and dream beyond. Connect with Rachael on social media @RachaelEdu to learn more about her work.

NCCER INSTRUCTOR CERTIFICATION TRAINING PROGRAM (ICTP)

NEW MEXICO ASSOCIATION OF CAREER TECHNICAL EDUCATION PRE-CONFERENCE

Friday, September 11, 2020 (8:00 a.m. - 5:30 p.m.)

Saturday, September 12, 2020 (8:00 a.m. - 5:30 p.m.)

Monday, September 14, 2020 (8:00 a.m. - 5:30 p.m.)

WHY SHOULD YOU ATTEND THE NCCER INSTRUCTOR CERTIFICATION TRAINING PROGRAM?

There is a large demand for Certified Craft Instructors in today's Career and Technical Education (CTE) classrooms. The NCCER ICTP is designed to prepare instructors for their place in the classroom using the NCCER standardized curricula. NCCER's ICTP is one step in helping build a stronger skilled workforce for the future. By preparing craft instructors to deliver needed training, the ICTP is a small part of the larger construction workforce development system.

For nearly two decades, the ICTP has helped train thousands of instructors from various backgrounds. Once you have successfully completed the ICTP, you will be equipped with the knowledge to design and teach the NCCER craft training in order for students to begin earning their NCCER National Craft Certification recognized in over 40 countries.

PRESENTERS/MASTER TRAINERS:

ICON L.L.C - www.ICONNM.com

NCCER ACCREDITED TRAINING SPONSOR

Ron Taylor, Jacob Lineberry, Kenneth Leupold

QUALIFICATIONS TO ATTEND NCCER ICTP:

- Experience at a minimum journey or technician level in their area of expertise **OR**
- A minimum of three year's experience as a certified teacher in a vocational/technical construction or maintenance related training program
- In addition, must be able to provide a CV/Resume reflecting the minimum qualifications in the specific craft area you are planning to teach

COST:

- **\$400** per participant (to be paid through NMACTE with registration)
- Plus, a Training Manual (purchased by participant two weeks early, at [NCCER Online Shop](#) **\$75.00 + Shipping**)

DELIVERY METHOD:

This Pre-Conference Training will be offered through Zoom, and all participants are required to have a working camera and microphone to complete the certification.

MEETING TIME AND DATES: (THE NCCER ICTP IS A MINIMUM 24-HOUR CURRICULUM)

Friday, September 11, 2020
