Pick the box description that fits you best. Each Box is divided into 5 ratings. Then, on a scale of 1 to 5 with one being the lowest and 5 being the highest, highlight how confident you are you can do what is in the box.				
Student response: verbal, written or taken directly from the box	1st Discussion	2nd Discussion	3rd Discussion	4th Discussion
My School Experience: Future Employment				
My Future: What do you know about your current career choice and how did you learn about it? Examples: Class, career assignments, talking with someone, O*NET, Talentreadyutah.com				
Acquiring Strength	Acting or	n Strength	Achievin	ng Strength
I don't know yet but I am willing to explore options that interest me.	I can identify jobs that interest me.	I can describe the duties for the future job am interested in.	I have taken classes, observed, volunteered or job shadowed.	I have entry level work experience related to my future career.

My dream job is to be an interior designer. I will probably work retail as my first job. It would be something I would be good at.				
My School Experience : Career Awareness & Occupational Courses				
Career Awareness: What classes would you like to take that will help you work towards your career goal? Occupational Courses: Do you know who you would talk to about getting those on your schedule? Examples: Career and Technical Education (CTE) classes, Concurrent Enrollment classes, Technical College classes, early college classes, etc.				
Acquiring Strength	Acting on Strength Achieving Strength			
I don't know what interests me yet.	I can list classes I have taken.	I am taking classes to prepare for work.	I am enrolled in (CTE/WBL) Career Technical Education classes.	I am enrolled in Concurrent Enrollment or Technical College
