A Message from FBLA-PBL Board Chair, Ron Pierce

Dear FBLA-PBL Members, Advisers, and Friends,

Ronald W. Pierce
FBLA-PBL Board Chair

This spring, when the COVID-19 pandemic forced our nation to come to an abrupt halt, the FBLA-PBL Board of Directors had to make a decision about the capstone of our membership year—the National Leadership Conference. As with any business decision, we weighed our options, consulted our stakeholders, and ultimately decided that our members deserved to be recognized for their efforts throughout the program year. As such, we introduced the National Leadership Experience (NLE). Although many state FBLA-PBL organizations quickly stood up successful online conferences, we were not entirely sure how the NLE would be received.

I am pleased to share that there were more than 10,000 attendees representing middle school, high school, and collegiate members. During the month of June, they competed, networked, and celebrated. Our volunteer leadership and National Center staff coordinated leadership workshops, general sessions, and the needs of thousands of competitors. Meanwhile, our talented national officers exceeded all expectations by creating opportunities for engagement including student led roundtable discussions, networking panels, and regional meetings. And if that is not impressive enough, our national partners and sponsors rallied and continued to financially support the competitive events and provide customized content just for NLE participants.

So, what does all this say about FBLA-PBL? It says that we are a resilient, courageous community of leaders. It is inspiring to witness our indispensable chapter advisers go above and beyond to support their students and make the National Leadership Experience a reality.

Thank you for being the best of the best.

I wish you good health and a summer season filled with family, friends, and new adventures.

A handwritten signature in black ink that reads "Ronald W. Pierce". The signature is written in a cursive, flowing style.

A Message from FBLA-PBL President/CEO, Alexander T. Graham

Dear FBLA-PBL Members, Advisers, and Friends,

Alexander T. Graham
FBLA-PBL President/CEO

When the decision was made to create an online event, we intentionally made a small, but meaningful, change: the National Leadership Conference became the National Leadership Experience.

The reason for this was that first, and foremost, to replicate the "NLC" the finale of our FBLA-PBL program year, to the same conference online would be impossible. We intentionally developed content to enable our members to seize a world of opportunity to explore, experience, and engage to meet them where they are. These are the core membership themes of our three student divisions, and seize it, you did!

This special edition of *Tomorrow's Business Leader* celebrates the NLE, from all-member events leading up to our online gathering, to the inspirational keynotes, to the welcoming of our new National Officers, to announcement of all our national recognitions and competitive events winners.

We are committed to continue the nurturing of this direct engagement as we begin a new program year. We are rapidly upgrading our ability to deliver robust materials and programming for all our divisions while looking for new opportunities to help our student members thrive.

No matter what challenges lie ahead, FBLA-PBL is here for you. The best is yet to come!

A handwritten signature in black ink, reading "A. T. Graham", with a stylized flourish at the end.

PBL National Leadership Experience

OPENING SESSION

On June 24, the NLE officially kicked off with the Opening Session. Attendees joined the 2019-20 for the FBLA-PBL creed, recognized the resiliency of the organization with words from FBLA-PBL President & CEO Alex Graham, and looked ahead to the future with FBLA-PBL Board Chair Ron Pierce.

The 2020-21 National Officer candidates were introduced and attendees had the opportunity to learn more about each

candidate through their campaign speeches. The highlight of the opening session was the keynote address presented by J. J. Ament CEO of Metro Denver Economic Development Corporation and Former FBLA National President. J. J. spoke about the value of free enterprise and how being community-minded business leaders gives PBL members the edge.

PBL NLE Keynote Speaker

J. J. Ament
CEO, Metro Denver Economic Development Corporation
Former FBLA National President

No matter your background or identity—rural farm country or urban centers on a coast—regardless of skin colors, accents in speech or faiths, PBL teaches about the freedom in free enterprise: the most powerful force for good our planet has ever known ... will you empower those who divide or will you, with grace and compassion, lead through your careers and bring colleagues with different points of view together?

LEADERSHIP WORKSHOPS

Leadership. Communication. Career. PBL in Action.

These four topic areas guided the NLE Leadership Content Workshops presented by TEAMTRI. Using a self-paced platform, attendees discovered how to effectively communicate and develop meaningful relationships, how to distinguish themselves as outstanding employees with strong leadership skills, and how to get the most out of the PBL experiences.

NLE attendees now have access to 200+ hours of additional leadership content provided by TEAMTRI, simply log-in using your NLE credentials between now and July 25.

CLOSING CELEBRATION

The PBL NLE concluded with a memorable closing celebration featuring remarks from the 2019-20 National Officer Team, national recognitions, the announcement of the 2020-21 FBLA-PBL theme (Aspire), and the results of the 2020-21 National Officer Elections.

KPMG SOCIAL MEDIA TAKEOVER and INTERNSHIP PANEL

FBLA is grateful for our national partner, KPMG, for leading a social media takeover June 22 - 24 on the FBLA Instagram. During the takeover KPMG focused on sharing their culture, their brand new training and learning facility, and how you can bring your best in high school and beyond. Followers also learned about their practices and virtually met KPMG professionals from all over the country!

[Missed it? Check out our highlights!](#)

Continuing to connect and network, KPMG also hosted an internship panel for FBLA and PBL members during which time they gathered college students who recently went through the networking, interviewing, and internship recruiting process. The discussion was moderated by KPMG campus recruiters.

What makes a great internship?

July 2020

A KPMG internship is a terrific way to learn business skills, find a mentor, build your network and get real-world (even global) experience before graduation. And it can often lead to a full-time job. Discover how an internship can connect you with the countless opportunities at KPMG.

What makes a great internship? Through a KPMG internship, you can...

Start training: No other Big Four firm offers a consistent national training experience for all audit, tax, advisory, and business support services interns. You'll attend training at KPMG Lakehouse, our state-of-the-art learning, development, and innovation center.

Meet your mentor: Pair up with a mentor who can inspire and guide your internship and your career.

Build a network: Start growing your professional network by interacting with KPMG senior professionals and employees worldwide.

Gain experience: By engaging with clients, you'll become more knowledgeable and more marketable.

Explore career opportunities: Learn what it's really like to be an audit, tax, advisory, or business support services professional... and you may find yourself on the path to a full-time job offer.

In order to secure an internship, we recommend that you build your resume, network your way to success, create a virtual brand, and ace the interview. Not sure where to start? Tune in for the KPMG Virtual Branding U series each Wednesday evening in July at 7:30pm EST. You can also gain a sneak peek on these topics by [clicking here](#). Please be on the lookout for an email with instructions on how you can register for the KPMG Virtual Branding U series.

OPENING SESSION

On June 29, it was FBLA and FBLA-ML's time to shine as the NLE kicked off with the Opening Session. Attendees joined the 2019-20 for the FBLA-PBL creed, recognized the resiliency of the organization with words from FBLA-PBL President & CEO Alex Graham, and looked ahead to the future with FBLA-PBL Board Chair Ron Pierce.

The 2020-21 National Officer candidates were introduced and attendees had the opportunity to learn more about each candidate through their campaign speeches.

The highlight of the opening session was the keynote address presented by Kat Perkins Motivational Speaker, Entertainer, Humanitarian and Rising Star Foundation Founder -- not to mention Former FBLA State Officer! Kat spoke about what it truly means to live a Fearless live and share how her FBLA business skills have helped shaped her into the success she is today. Kate also performed two songs!

Former FBLA State Officer

Take a step over the line of doubt and see what's on the other side. I promise you ... there is a ton of joy, there is a ton of success, and there is a ton of experience that you would never get if you just did not step over that line. See how far you can get. The more you push your comfort zone, the more you will grow, the more you will learn, and the happier you really will be.

LEADERSHIP WORKSHOPS

Leadership. Communication. Career. FBLA in Action.

These four topic areas guided the NLE Leadership Content Workshops presented by TEAMTRI. Using a self-paced platform, attendees discovered how to effectively communicate and develop meaningful relationships, how to distinguish themselves as outstanding employees with strong leadership skills, and how to get the most out of the FBLA experiences.

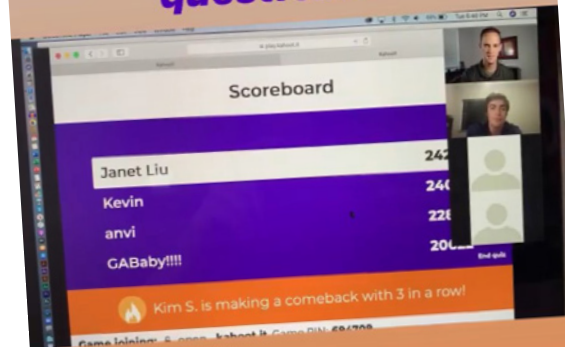

In addition, FBLA-ML attendees learned directly from national officers about the core elements of the FBLA journey.

NLE attendees now have access to 200+ hours of additional leadership content provided by TEAMTRI, simply log-in using your NLE credentials between now and July 30.

TEAMTRI also hosted two social activities, The QUEST by Goosechase and After Dark SHOWDOWN by Kahoot! Members completed tasks, played trivia, and competed for prizes!

Meet the 2020-21 FBLA National Officers

DREW LOJEWSKI (PA)

NATIONAL PRESIDENT

Drew started from the ground up in FBLA, with no physical chapter and few resources. He placed second at nationals for the Digital Video Production event in 2018, and started a physical chapter at his school the next year.

Striving to help members that may be in a tough situation like him when he first started in FBLA, Drew wanted to give back to the FBLA community by serving others. He was elected as a Pennsylvania state officer, and in 2019, Drew was elected as the Eastern Region Vice President of FBLA.

HANA LE (LA)

NATIONAL SECRETARY

Hana Le, a senior at Ruston High School, has been an active member of FBLA throughout her high school career. Hana is a three time chapter officer, was elected as the Louisiana FBLA State Secretary her sophomore year, and now currently serves as the Louisiana FBLA State President.

Hana dedicates herself to enhancing the limitless opportunities FBLA provides and helping members develop their own passions and potentials.

HANEOL LEE (WA)

NATIONAL TREASURER

Haneol Lee will be a Senior at Olympia High School in Olympia, WA. He joined FBLA purely for the candy. But FBLA gave him tools that changed his life. He enjoys speaking to middle school students where he inspires them to follow their dreams. But where did Haneol get his speaking skills?

Through FBLA, Haneol has learned skills he never imagined, such as public speaking, confidence, passion, dedication, and leadership. Haneol has served as president of his chapter and as the Executive Vice President of Washington FBLA. Furthermore, Haneol has served as the National Western Region Vice President and loved meeting members from all across the nation.

KIANNA BOLANTE (WA)

NATIONAL PARLIAMENTARIAN

Kianna Bolante, a senior at Fife High School, joined FBLA during her freshman year of high school. She was elected as Washington FBLA's State Puget Sound Region Vice President during her sophomore year and currently serves as Washington FBLA's State Parliamentarian. During her junior year, she has already completed all levels of the BAAs and CSAs. Kianna is heavily involved with different organizations that revolve around parliament such as the Electronic Association of Parliamentarians, the Washington State Association of Parliamentarians where she was recognized in numerous newsletters, and the National Association of Parliamentarians where she works within their Youth Committee to spread awareness about parliamentary authority.

ANDREW FOX (NY) **EASTERN REGION VP**

Andrew Fox is a rising senior at Little Falls High School in the state of New York. Andrew has served on the Eastern Region Council as the Executive Assistant and was recently elected as the New York State President. He has been part of his State Officer Team since being elected his freshman year.

A few of Andrew's successes within FBLA include: leading State Meeting's within the Eastern Region, Participating in the Eastern Region Leadership Committee, initiating Instagram Idols within New York FBLA, and increasing his local chapter membership by 87%.

KAYLIE REESE (KS) **MOUNTAIN PLAINS REGION VP**

Kaylie Reese, who will be a senior at Wellsville High School in Kansas, has been a dedicated FBLA member since 2016. Ever since her first State Leadership Conference, Kaylie knew she wanted to make a difference in FBLA.

She has served three terms as a local officer, two terms on a national council, and is in her second term of state office, currently serving as Kansas FBLA State President. FBLA has given Kaylie an opportunity to not only increase her knowledge of the business world, but to help and lead others.

RHEA MEHTA (OH) **NORTH CENTRAL REGION VP**

Rhea Mehta is a senior at William Mason High School in Ohio. She has been a part of FBLA for two years. She has served as the Webmaster of her local chapter, the 2019-2020 Ohio FBLA Parliamentarian, and is currently serving as the Ohio FBLA President. Rhea attended the 2019 National Leadership Conference and has attended two State Leadership Conferences.

Apart from FBLA, she enjoys participating in public speaking events, National Honors Societies, learning Indian classical dance, and practicing cello.

MARIA MANABAT (GA) **SOUTHERN REGION VP**

Maria Manabat, a senior at Ware County High School, has continued to share her passion for FBLA for over three years at the local, state, and national levels. Through the programs and opportunities of FBLA, Maria believes that every member can undergo personal growth and achieve success. In addition to competitive events, she has shown leadership as Ware County's local chapter president, Georgia FBLA's Region 2 President, and a two-term National President's Executive Council member. Currently, she serves as the Georgia FBLA Southeast Area Vice President.

SACHIN SUNDAR (CA) **WESTERN REGION VP**

Sachin is a senior at West High School in Salt Lake City, Utah and has been a member of FBLA for three years. This is his second year as a state officer and he served as the Metro Region VP from 2019-2020. He is also a member of DECA, Mock Trial and Peer Court, though most of his energies are devoted to FBLA. Since he started as the vice president of his local FBLA chapter in his freshman year, he has worked hard to increase the membership of his chapter and his involvement grew further after he was elected as a state officer in 2019. He was able to apply his skills from FBLA to the real world when he presented his business plan to a Shark Tank at the Sandy Chamber of Commerce.

THANK YOU

The National Leadership Experience would not have been possible without the outstanding work of our competitive events judges. These judges volunteered their time and expertise over the last two months watching tomorrow's business leaders in action.

To all our judges, it is with sincere appreciation that we say "thank you."

Our competitive events are supported by event sponsors whose generosity makes our National Awards Program cash prizes possible.

[Please take a moment to learn more about these sponsors.](#)

Finally, producing an online event requires a community of professionals. We are thankful to our event vendors who collaborated with FBLA-PBL to produce everything from programming to competitive events to website design and branding to IT consultation.

The 2020-21 Membership Theme is “Aspire” as announced during the closing celebration of NLE.

The word "ASPIRE" is written in a large, bold, dark blue sans-serif font. Behind the letters is a large, stylized graphic of a bird in flight, composed of several overlapping, semi-transparent shapes in shades of blue, green, and yellow. The bird is facing right and has its wings spread wide.

ASPIRE

Future Business Leaders of America – Phi Beta Lambda | 2020 – 2021

to explore.
to experience.
to engage.
to discover.
to learn.
to network.
to understand.
to make an impact.
to fill a need.
to serve.
to be responsible.
to communicate.
to lead.
to the future.
to go higher.

Earlier this spring, we asked chapters to share their suggestions for our guiding theme. Our theme was suggested by an FBLA chapter from Weber High School, under the adviser leadership of Alan Rawlins, stating that everything an FBLA-PBL member accomplishes and achieves allows one to go higher.. and therefore, we ASPIRE.

As we look ahead to the next school year-however uncertain it may appear right now-what we know is that FBLA-PBL has great things in store. We will be officially launching our Roadmap series to guide members on their journey; we have strategic partnerships with companies like Facebook, Tallo, and Intuit; and we plan to offer robust content in all areas of business education. We Aspire to explore, experience, and engage with you. We aspire for a better future. We aspire to grow business. We aspire to lead.

In using this theme, we encourage chapters to think about the values and actions that define their community and use them in the discussion and marketing of FBLA-PBL as elements to which to Aspire.

How will you weave the Aspire theme into your program year?
