

# THINK. CREATE. BUILD. LEARN.

**Technology Student Association (TSA)** is a national, non-profit organization of middle and high school students who are engaged in science, technology, engineering, and mathematics (STEM). Since TSA was chartered in 1978, almost 4,000,000 student members have participated through challenging competitions, leadership opportunities, and community service.

TSA has **33** different **Middle School Competitions** that enable students to learn in creative ways. Here is just a sampling of the competitive events:

- Biotechnology
- Coding
- Dragster
- Flight
- Forensic Technology
- Junior Solar Sprint (JSS)
- Leadership Strategies
- Problem Solving
- Video Game Design
- Website Design
