V. PDC Report – Wayde Sick

Next week, PDC offered via virtual which is a different version. The main event and awards ceremony will be Monday, August 10, at 10 am. PDC Ag and Career Development moved to virtual event so all divisions are virtual. Anything that can be recorded will be so that others that miss will be able to view it. Registration with ACTE has been a learning curve and will assess for next year. CTE doesn’t have registration counts, they are so sort of loose this year. May not have actual counts because of no registration fee. If individuals are not a current ACTE member and have been directed to the website, have individuals not worry about registering, all the links will be included in communication coming out from ND CTE. The live events individuals can just click on the link to attend.

X. Standing Committee – Update and report to General Meeting
   1) Legislation - Wayde Sick
   State General Funds: The agency is in the process of developing and submitting our 2021-23 Biennial Budget. As you may be aware, we have been instructed to consider a 10% reduction for our budget but exclude large grants. This includes our grant line item for secondary CTE programming. We will have a number of optional requests included in budget, including cost to continue, new and expanding
programs and potentially Career Center funding. In conjunction with this, the agency is exploring alternative ways of funding programs, instead of the current percentage of salary method. We are exploring a number of other states’ models, looking at pros and cons of each in order to determine what works best for ND. We hope to have this work complete prior to the 2021 Legislative Session.

At the federal level, the House has passed their budget bill which includes a 1.4% increase in state grants. It now moves over to the Senate. It is unsure how quickly the Senate will act on that due to COVID-19 and the upcoming election. Also, any CTE funding included in the next Cares Act Stimulus package has stalled. ND CTE is monitoring those bills as they move through Congress.

2) Resolutions - Paul Zettler
   No new information to share with the board and will be ready to deliver the resolutions discussed at our last meeting during the general meeting next week.

3) Nominations – Holly Strand-Rysgaard
   The Nominations Committee has received one interested candidate for the role of the NDACTE Vice President position. This candidate is William Fritz. Mr. Fritz has submitted a video that can be found on the NDCTE PDC Website: https://www.youtube.com/watch?v=IPOE50L7t9s

   At the NDACTE General Meeting, there will be a call for any further nominations for this position. In the event there are other nominations, that person will be asked to provide a link to a YouTube video expressing interest in the position. The alternative would be to provide a brief impromptu speech during the General Meeting. The new candidate(s) will be added to the Electronic voting poll. Voting will take place at: http://www.easypolls.net/poll.html?p=5f22f070e4b0065ae3b423e8.

   In the event there are no other nominations from the floor, the motion to cast a unanimous ballot will take place and Mr. Fritz will serve as the 2020-2021 Vice President for NDACTE.

4) Policies - Paul Zettler
   No new information to share and will give an overview of the policy changes made this past year at next week’s general membership meeting.

5) Audit - Alison Orgaard
   The budget and minutes were reviewed for the previous year and items were found to be in order and complete. We have been in the process of transition and filling the missing pieces. I believe at this point, all is up to date and accurate.

XI. Ad Hoc Committees - Update and report to General Meeting (Please prepare a short summary of your report to be shared with board members prior to the meeting. Send your summary to Carla Hixson by Wednesday, August

1) Newsletter - Carla Hixson – Instead of two NDACTE newsletters a year will try and have monthly stories included in the ND CTE Newsletter by working with Kevin Reisenaur for monthly stories. Information included in ND CTE July Newsletter NDACTE Update and PDC information and the August Newsletter will have Award winner’s information.

2) Public Relations, Marketing, Social Media – Dustin Norby
   Working on the Zoom logo for the PDC and NDACTE members to use, he will include directions on how to use the logo as background in zoom.

3) Membership - William Fritz
   The committee is working with National ACTE to create a membership brochure featuring the benefits of becoming a member and information related to NDACTE, such as membership renewal link, CTE Learn Portal, and Membership Drive Sign Up Day. The brochure will also be used has a recruitment tool for future issues. The brochure should be ready by August 14th, 2020.
The ND ACTE will host a Membership Sign Up Day on September 1st, 2020. If you are a registered member of the ND ACTE, you will have your name put into a drawing for a door prize. The ND ACTE Executive Director will host a live Zoom meeting to draw the names. The door prizes are the following:

- 3- $50 Scheels gift cards
- 3- $50 Amazon gift cards
- 1- “But I’m Not a Reading Teacher! Literacy strategies for CTE Educators” - Book

ND ACTE will give out five $35 dollar incentive for getting someone to sign up as a member to the association.

4) ND ACTE Awards - Danielle Luebke
There were 14 applicants in 10 categories, the applicants have not been notified as of today. Danielle and Carla will notify all individuals. The awards have been recorded and ready for the general session next week.

5) CTE Reception and Awards Luncheon - Pam Strolund
ND ACTE had committed $1000 in sponsorship of the ND CTE Awards Luncheon to where ND ACTE award winners are honored. Due to the virtual nature of PDC this year, ND CTE will not be hosting an Award Luncheon and these dollars will not be expended.

6) ACTE Convention - Pam Strolund
35 ND ACTE members attended the 2019 CareerTech Vision Conference in Anaheim, California. Wayne Kutzer, past ND State CTE Executive Director, was recognized on stage as a finalist for the ACTE Lifetime Achievement Award and added to the newly designated ACTE Hall of Fame for Lifetime Achievement. A social was held in his honor at a local restaurant in Anaheim.

North Dakota received the Quality Association Award during the State Association Leadership Breakfast.

7) Region V Planning Committee - Carla Hixson - The Region V Conference will be April 13-15, 2023 at Delta Hotel Fargo, ND. Quarterly planning meetings will start soon, still looking for more committee members if interested.

8) CTE Learn - Pam Strolund -
Last year at PDC, Michael Connet provided an overview of CTE Learn, an online professional development resource developed and maintained through ACTE (www.ctelearn.org). CTE Learn offers over 150 free or fee-based courses and is open to everyone with ACTE members receiving a discount. Distance learning resources have recently been added due to the pandemic. ND ACTE approved signing a 1 year agreement with ACTE to have its own portal for promoting professional development in our state. The ND CTE Learn portal is set up and 16 members are currently registered. Should any users subscribe to take fee-based courses, ND ACTE will receive 15% of the net revenue generated through our portal.

CTE Learn will be promoted this year to CTE staff through various means.

XII. Unfinished Business - no unfinished business

XIII. New Business

1) Officer Training Manuals and Training
In the past, board members have not had training and currently there is not a manual for new board members to better understand their roles and board expectations. Pam Strolund explained we would
like to work with Carla and put together what the responsibilities of the board members and officer positions are and then have some sort of officer training on a yearly basis. Will work with a task committee to establish this. May be an added expense to develop it but ongoing would be responsibility of the Executive Director.

Committee set up will be the executive officers, Paul Zettler and others are welcome. Please let Pam know if you would like to be involved.

2) Website and Social Media Management
Discussion took place in regard to paying someone to develop and maintain a website and to have a consistent social media presence to promote the organization and NDACTE membership.

**MOTION:** William Fritz moved to table an independent website from ACTE and social media management until the next meeting Bryan Stastny seconded. Motion carried.

3) Bylaws and Policy Handbook Update
Paul Zettler and committee updated the policy handbook but will need to be updated with changes this past year. Also NDACTE by-laws were found, they will need to be reviewed. If you would like to be a part of updating the policy handbook and reviewing the bylaws, please sign up for this on committee assignments.

XIV. Announcements
1) Membership Registration Incentive – Drawing will be September 1, 2020 via zoom.
2) Nominations – The voting poll is LIVE but will be edited accordingly if we have nominations from the floor. (by laws require taking nominations at the General Membership Meeting) [http://www.easypolls.net/poll.html?pid=5f22f070e4b0065ae3b423e8](http://www.easypolls.net/poll.html?pid=5f22f070e4b0065ae3b423e8)
