

# CTE: Connecting KY

2021-2022 Kentucky Association for Career and Technical Education (KACTE) **President Kelli Dickson**, Career and Technical Education (CTE) Coordinator and Family and Consumer Sciences Teacher, Monroe County High School, set the theme, **CTE: Connecting Kentucky**, for her year of leadership. Most students enroll in at least one CTE course, and 98 percent of CTE students graduate high school. CTE is the foundational education for more than two-thirds of all jobs, including those jobs that make, repair and build; grow, compute and bank; diagnose, treat and care; prepare, cook and feed. Business and the economy can thrive only with the skills CTE imparts to the workforce. CTE connects the Commonwealth. This year KACTE's goals include:
