

WORKFORCE DEVELOPMENT Through CTE SUMMIT 4.0

**Workforce Development
Through CTE Summit 4.0**
Cohosted by ACTE and Ford NGL

NOV. 30 – DEC. 1

Nov. 30: 11:45 a.m.-4:30 p.m.
with reception from 6:30-8:30 p.m.

DEC. 1: 8:00 A.M.-4:30 P.M.

Happening in concert with our annual conference this Dec. 1–4, ACTE's CareerTech VISION is a fantastic opportunity to network and collaborate with CTE professionals, administrators, state workforce employees and business and industry members from around the country. Event sessions will cover the key components of high-quality CTE, including work-based learning, access and equity, business and community partnerships and data and program improvement. VISION will also feature:

- **Keynote Presenters**

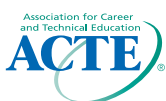

Anne Grady, Resilience
Expert, Speaker,
Author, Entrepreneur

Kevin Brown, The HERO
Effect™, Speaker, Author

- **More than 150 exhibits, workshops and live demonstrations at the CareerTech Expo**
- **Engaging in-person sessions, such as:**
 - Building an Engaging and Equitable Business Pathway for Students Through Relevant Work-based Learning Opportunities
 - Decoding Modern Apprenticeships for Accelerating Tech Careers
 - Seeking Equity in Work-based Learning
- **Robust virtual sessions, such as:**
 - Partnerships to Align Education and Careers
 - PBL + 5E: Bridging the Workforce Development Gap
 - Industry and Education — Building a Successful and Sustainable Workforce

Virtual programming will be available for those unable to attend the conference in person. In-person attendees will receive access to all virtual programming.

**Join us for both events
at a substantially
discounted rate of \$545!**
