

ACTE REGION V

Innovative Career and Technical Education Program

PURPOSE

To recognize innovative career and technical education programs from each Region V state that are unique, novel, and are serving to improve and promote the image of career and technical education.

CRITERIA

- The program must demonstrate a capacity to prepare graduates to perform successfully in an occupational field.
- The program should exemplify the highest standards within its occupational field.
- Staff must be involved in an in-service program to keep abreast of technological changes in their occupational field.
- The program must have been in operation for at least three years.
- The instructor(s) in the program must have been a member of the state association for at least three consecutive years.

ELIGIBILITY

Any career and technical education program that meets the criteria listed above.

APPLICATION PROCEDURE

All nominations must come from ACTE Region V State Associations. State associations may submit only one nomination annually.

To nominate a program:

- Complete the **Innovative Career and Technical Education Program Nomination Form**
- Include the one-page narrative describing the features of the program as stated on page two of the nomination form
- Include a picture of the program for Region V Conference promotional materials
- Submit all required documentation to the Awards chair via email by March 1

DEADLINE

The deadline is **March 1**.
