

**American Heart Association
BLS Instructor Training
\$400**

Become a BLS CPR Instructor for your district! This course will train you to teach both healthcare and non-healthcare CPR provider classes for your students, fellow teachers and staff.

Your A.H.A. BLS Instructor Training Registration Fee Covers*:

- Application and alignment with the DeYear Training Center
- A.H.A. 2020 Guidelines BLS Instructor Manual and video set
- Online and classroom components of the BLS Essentials Instructor training
- Unlimited support and mentoring for 2 years
- One monitored class
- A.H.A. BLS Instructor card, good for a 2-year period

***IMPORTANT:**

- 1. Registration fees must be received by THOA before any materials are shipped. After materials are shipped, your \$400 A.H.A. BLS Instructor Training registration fees are not refundable.**
- 2. The deadline for payment is May 15; both the BLS Instructor Session fee AND the conference fee must be received.**
- 3. Acceptable payments include check, e-funds, or Credit Card (PREFERRED). A PO only will not hold your spot beyond the payment deadline!!**
- 4. Following receipt of payment, you will receive contact from the trainer before materials are shipped to you. If payment is not received by May 15th, attendees may be dropped from the workshop and replaced by paid attendees on the waiting list.**
- 5. REQUIRED prerequisites to attend this training must be completed by June 30, 2021.**

The Trainer will assist you with the REQUIRED prerequisites (completed by June 30, 2021):

- Must hold a current BLS Provider CPR card
- Completed application/alignment on the Instructor Network with our training center
- Completed (short) online BLS Essentials course - key code to unlock the course will be sent by the trainer

Note that your school district will be required to purchase and maintain the necessary equipment (manikins, bag valves, AED trainers, etc) and materials (AHA student workbooks, CPR cards, Heartsaver materials if teaching non-healthcare students, etc) to teach American Heart Association BLS and Heartsaver CPR courses. Your training at this workshop covers all materials necessary to certify you as an instructor and support you for the following 2 years.

If you have questions prior to registering for this Instructor Training, please contact Janet DeYear, Training Center Coordinator, at RescueCo10CPR@gmail.com or 972.306.0814 during normal business hours.
