

**MoEFCS  
Summer Conference Schedule  
Monday, July 25**

*Locations and times are subject to change*

**Pre-registration is required for all Monday morning sessions and includes lunch  
Check in at Welcome Table from 8:00 am to 10:00 am, Ozark High School**

Time	Session	Speaker
9:00-11:45	<p><b>Beyond Lectures &amp; Notes</b> Project ideas for different FCS courses that reinforce units taught. You'll walk away with lesson plans, rubrics, and examples. <b>Cost is \$10 per participant</b></p>	Amy Harkey
9:00-11:45	<p><b>Elevate Presentation with Vegetables and Garnishes</b> In this session learn to use common garden vegetables to create beautiful plate and platter presentations with basic vegetable carvings. Philosophy for plate design and use of seasonal vegetables will also be discussed to create a maximum visual effect. Audience participation will be encouraged so bring your favorite paring knife if you would like to be hands-on in this session. <b>Cost is \$25 per participant</b></p>	Chef Daniel Pliska, CEC AAC
9:00-11:45	<p><b>FCS Entrepreneurship: Cooking, Baking, and Cricut Designing Up Some Fun</b> Designing entrepreneurship curriculum that teaches career-readiness skills and makes the students smile. Here's the vetted projects, tips, and techniques you need to bring Entrepreneurship success to your FCS department. <b>Cost is \$25 per participant</b></p>	Christine Hollingsworth Beth Beattie
9:00-11:45	<p><b>Let's Get Cricut-ing!</b> Have a Cricut but not sure what to do with it? Join me to learn the various self-taught tips and tricks I've learned. In this session I will share with you how to create your own SVG files, import your own text, create layers, and manipulate Design Space images to create exactly what you're wanting! I will also show you just what the heck all those tools do! Please note this session uses Cricut Design Space and is intended for Cricut users. Information presented will not transfer to Silhouette users. <b>Participants will leave with two completed projects. Cost is \$30 per participant.</b></p>	Krystle Gremaud
9:00-11:45	<p><b>Hands On Sewing Workshop</b> This workshop is specifically designed for FCS Educators who need to brush up on their sewing skills but also want to have fun! We'll cover basic instruction on the operation of sewing machines commonly utilized in FCS Classrooms, plus learn how to spot a successful classroom project. This hands-on workshop will allow you to practice stitch types and sewing techniques as we create some fresh classroom projects. Machines and kits will be provided. <b>This session is limited to 24 participants. Cost is \$10 per participant</b></p>	Josie Baird
9:00-11:45	<p><b>Supporting Diverse Learners through Differentiation in the FCS Classroom</b> This workshop will explore resources and ideas to benefit all students, with an emphasis on supporting students from special populations. Whether you work with Special Education (IEP/504), ELL, or At-Risk students, you will walk away empowered to meet students where they</p>	Kristi Hodson

	are. <b>Cost is \$10 per participant.</b>	
9:00-10:30	<p><b>Let's Talk About ProStart!</b>  This session will explore:  What is ProStart, advantages of offering ProStart, ProStart curriculum, implementing ProStart in your building/district, professional Development for ProStart educators, grants available, ServSafe certifications, 2022-2023 updates and event schedule and answers to your questions. <b>Cost is \$10 per participant.</b></p>	Leone Herring
11:45-1:30	<p><b>New and Returning Teachers Luncheon</b>  Are you new to teaching Family and Consumer Sciences? If so, this session is for you! We will discuss places to find the answers to all of your just getting started questions and give you a chance to meet people who can help you throughout the year. <b>Cost is \$35 per participant.</b></p>	Beth Beattie
<p><b>Lunch is provided in the cafeteria with all morning session registrations and will be available from 12-1:00</b>  <b>For afternoon attendees who would like to add lunch, pre-registration is required</b></p>		
12:00-1:30	<p><b>Vendor Fair– free to anyone registered for the MoACTE/MoEFCS Conference. Come visit our sponsors!</b>  Fellers Food Service Equipment/Restaurant Marketplace  Agriculture Education on the Move™ (a program of Missouri Farmers Care Foundation)  EVERFI  Missouri Restaurant Association  Show-Me-Dough Fundraising</p>	
1:30-3:00	<p><b>SHIBORI: A Japanese technique of resist tie-dyeing</b>  This session will focus on the Japanese technique of tie-dyeing called Shibori. Shibori is one the oldest resist dyeing methods using indigo. There's an infinite number of ways one can bind, fold, twist, or compress cloth for shibori.  Join this session to add a hands-on element to your Apparel and Textiles course when covering fabrics and fabric finishes. Participants will complete and take tie-dye samples with them. <b>Cost is \$35 per participant.</b></p>	Angela Amtower
1:30-3:00	<p><b>Making Learning Types of Fabrics Fun</b>  Teach fabric properties as a hands-on activity, integrating math and science skills. <b>This session is offered at no charge.</b></p>	Amy Harkey
1:30-3:00	<p><b>Fashion Illustration/Designing a Line Using Fashion Croquis</b>  In this session you will learn how to utilize croquis for fashion illustrations and how to develop a fashion line. These skills can be incorporated in classroom projects and STAR events. <b>Cost is \$35 per participant, which includes illustration markers and a light board for each participant to keep.</b></p>	Lori Krug
1:30-3:00	<p><b>Lessons for All Ages</b>  Do you ever struggle with how to differentiate lessons where you are covering some of the same standards in multiple courses? You don't want to lose students who may have taken one of your other classes, but some standards you just have to teach at each level. You may even</p>	Katie Mayberry & Jane Poole

	<p>have a comprehensive class that covers some of the same standards as other courses. Knowing where to start can be overwhelming. We are here to help! In this session we are going to explore how to teach a variety of standards in different ways and at both middle and high school levels! <b>This session is offered at no charge.</b></p>	
1:30-3:00	<p><b>Creating a Positive Climate and Culture in Your School and Classroom</b></p> <p>We will present ideas and strategies used within our building to create a positive climate and culture. Here are some examples of what we plan to include: resources that can be taken back to be immediately used, strategies and activities for SEL, Intervention Contracts, Assessment methods, annotated notes for monitoring student progress, engaging methods of assessment, and gaming strategies for building knowledge and team community (example: Gimkit). We will do this through movement, stations, hands on activities, and discussions.</p> <p>Examples could also include: campfire, analogies, starburst game, dollar bill game, and various strategies we have learned from our coordinator from adaptive schools. <b>Participants will receive assorted materials to keep; please bring a charged device. Cost is \$10 per participant.</b></p>	<p>Sarah Sutton Jenny Cummins Julie Gugel</p>
1:30-3:00	<p><b>Interior Design Projects</b></p> <p>Interested in discovering new projects for your Interior Design class? Join me for a hands-on experience as we walk through different projects that can be used for beginner, intermediate, or advanced level courses. We will explore options that will best suit your students and course, varying from large scale PBL projects to short mini-projects that can be incorporated into any unit. Walk away with ready to go lesson plans that are ready for the new school year! <b>Participants will leave with materials they can use to recreate the lessons in their classes. Cost is \$15 per participant.</b></p>	<p>Kailey Grapes</p>
1:30-3:00	<p><b>Creating Instructional Videos</b></p> <p>Adobe Creative Cloud Express (formerly known as Adobe Spark) is a free, multimedia tool for creating impressive and attractive multimedia images and videos. Whether you are creating the content, or you want students to create their own, this is an awesome tool with lots of potential. In this session, you will learn to create your own content and how to start using this cool resource with ready to use lesson ideas!</p> <p><b>This session is offered at no charge.</b></p>	<p>Darci Friberg</p>
1:30-3:00	<p><b>Addressing Special Needs in the FCS Classroom: Helping Students Be Successful</b></p> <p>How to address IEP's and 504s - simple, tried and true practices for the FCS classroom. <b>This session is offered at no charge</b></p>	<p>Suzie Dudenhoeffer</p>
1:30-3:30	<p><b>4 Square Handbag Project</b></p> <p>The 4-Square Handbag project was created to refine and develop skills for the instructor and students. The design and construction of this handbag was created to use industry concepts, terminology and skills. This project can be created in the classroom by using the written pattern to help students with reading instructions following industry terminology. A helpful video tutorial is also available on my website for</p>	<p>Dawn Sommers</p>

	instructors and students to view. This hands-on workshop will give the instructor confidence and helpful suggestions when using the project in their classroom. Participants will need to bring a sewing kit. <b>This session is limited to 24 participants. Cost is \$30 per participant. Participants will complete and take the handbag with them.</b>

### Wednesday, July 27

For resources from Wednesday's sessions, click on the title link to be taken to the speaker resource page with more information and session resources.  
(Links will be added once they become available.)

Time	Session	Speaker
8:30-9:00	<b>MoEFCS 2021-2022 Board Meeting</b>	Debra Price-Scheppmann
9:15-10:00	<b>Coffee with Theresa-DESE Updates</b>	DESE Staff
10:10-11:00	<b>Fast Fashion</b> Fast Fashion is a hot topic today and understanding all sides and aspects of this issue is important for not only ourselves, but the minds of students. Our clothing purchases and habits have drastically changed over the decades and Fast Fashion was created based on those buying habits. I will walk through Fast Fashion and give the instructors a PPT that can be used in the classroom to use for their students.	Dawn Sommers
10:10-11:00	<b>Creating Elegant Popular Pastries with Pate au Choux recipes from Pastry &amp; Dessert Techniques by Chef Daniel Pliska CEC AAC</b> Made with only five ingredients this classic French pastry dough is used to make Eclairs, Cream Puffs, and many other elegant pastry café favorites. In the first part of this two-part session learn how to prepare, pipe, and bake four different classic shapes and how to make pastry cream and buttercream used for filling the pastries. In the second session learn how to create chocolate ganache and Chantilly cream to fill, glaze and garnish the baked choux pastries. The pastries that will be demonstrated are Chocolate eclairs, Paris Brest, Cream Puffs, and Pastry Swans.	Chef Daniel Pliska CEC AAC
10:10-11:00	<b>Making The Case For Parenting Education</b> This presentation will lay out the case for the need to make parenting education a priority in our high schools. We will discuss the knowledge gained from the ACEs (Adverse Childhood Experiences) study. There will be an updated discussion about legislation, in Missouri, to mandate parenting education.	Rene Howitt COPE 24
10:10-11:00	<b>Getting Started with FCCLA</b> Getting started with FCCLA doesn't have to be scary! Come get some basic information about how to get started as an advisor, how to get students involved, and how to utilize FCCLA resources to	Debra Price-Scheppmann

	streamline your efforts.	
10:10-11:00	<p><b>Navigating DESE Paperwork--It's Easier Than You Think!</b>  Would you like grant funding but don't know where to begin? What's the difference between the FV2 form and the FV4? What is an LEA? When do I need to complete a program approval form? What does CCQI stand for and what does it have to do with me? For answers to all of these questions, samples of completed forms, tips on how to avoid having to resubmitting forms, and more, attend this session led by Theresa Struempf, Director of Family Consumer Sciences and Human Services education in Missouri. You might even find out about funding opportunities that you never knew were available.</p>	Theresa Struempf
10:10-11:00	<p><b>Nutrition &amp; Wellness Learning Activities</b></p>	Jordan Belcher
10:10-11:00	<p><b>"LIVE" Missouri Education Challenge Session I</b>  We will be hosting a LIVE Education Challenge during these two Wednesday, MO FCS Sessions. Bring a pencil and your knowledge of textiles, sewing, embroidery, serging, quilting, AccuQuilt and Baby Lock to this fast-paced workshop. Complete as many self-guided stations and accumulate as many points as you are able. The 3 FCS Educators that score the most points will win machines. To create a fair competition for both sessions, we will utilize the same Station Categories but modify the specifics for the answer sheets. Each Education Challenge participant will also receive a goodie bag (from B-Sew Inn and our vendor sponsors) at the end of their session.  <b>Participation is limited to one session per educator and a maximum of 30 participants.</b></p>	Josie Baird
10:10-11:00	<p><b>Focus on the Family's Health</b>  In this session, participants will learn how to get students moving via a "Cruise for Clues" activity about The 2020-2025 Dietary Guidelines and "Help Jim" (interactive case study) survive, make better choices so he can get back to his family.</p>	Kim Graybill
10:10-11:00	<p><b>Teach &amp; Train</b>  Ever wanted another professional to show how they layout their Teach and Train program? Here's my curriculum, evaluations, and dual credit opportunities available at Montgomery County.</p>	Beth Beattie
10:10-11:00	<p><b>AHHHH! Teacher Tips for Organizing and Surviving!</b>  As a new-ish teacher with ADHD, sometimes staying organized and on top of everything feels like a losing battle! Over time, I've managed to find some tips and tricks that have helped me stay sane and actually appear somewhat competent, and I'd love to share those with you!</p>	April Gramenz
11:10-12:00	<p><b>Blocks, Patterns, &amp; Slopers</b>  Understanding how basic Blocks and Slopers are used in the industry will help prepare our students for a career in the apparel/fashion industry. This session will also go over the components and markings on basic patterns that are used at the development stage. This will also help our students in the FCCLA STAR event of Fashion Design, with the appropriate markings on their competition patterns.</p>	Dawn Sommers
11:10-12:00	<p><b>Creating Elegant Popular Pastries with Pate au Choux recipes from Pastry &amp; Dessert Techniques by Chef Daniel Pliska CEC AAC</b></p>	Chef Daniel Pliska CEC AAC

	Learn how to create chocolate ganache and Chantilly cream to fill, glaze and garnish the baked choux pastries from session 1.. The pastries that will be demonstrated are Chocolate eclairs, Paris Brest, Cream Puffs, and Pastry Swans.	
11:10-12:00	<b>STAR Events Panel</b> Come get your STAR questions answered and hear our tips and tricks to make your STAR Events successful. (More detail can be added when panelists determine what examples they will bring)	Debra Price-Scheppmann
11:10-12:00	<b>Ready to Teach FCS but Don't Know Where to Start?</b> If you are new to FCS education then this is the session for you! Come visit with Theresa Struemph, Director of Family Consumer Sciences and Human Services education, as well as with others that were in the same boat as you. This will be a panel discussion on topics such as how to get started with FCCLA, due dates you need to know about throughout the year, how to sign up for the listserv, what resources are available, coursework needed for certification, professional development opportunities and more.	Theresa Struemph
11:10-12:00	<b>Personal Finance Resources with Next Gen Personal Finance</b> Whether you teach a stand-alone personal finance course or embed financial education into other courses, tons of fully developed units, lessons, games and resources are available free of charge. Come learn more about Next Gen Personal Finance and successful implementation strategies.	Darci Friberg & Christy Johnson
11:10-12:00	<b>"LIVE" Missouri Education Challenge Session II</b> We will be hosting a LIVE Education Challenge during these two Wednesday, MO FCS Sessions. Bring a pencil and your knowledge of textiles, sewing, embroidery, serging, quilting, AccuQuilt and Baby Lock to this fast-paced workshop. Complete as many self-guided stations and accumulate as many points as you are able. The 3 FCS Educators that score the most points will win machines. To create a fair competition for both sessions, we will utilize the same Station Categories but modify the specifics for the answer sheets. Each Education Challenge participant will also receive a goodie bag (from B-Sew Inn and our vendor sponsors) at the end of their session. <b>Participation is limited to one session per educator and a maximum of 30 participants.</b>	Josie Baird
11:10-12:00	<b>Teen Pregnancy &amp; Contraception Effectiveness Games</b> In this session, participants will learn how to engage students as they learn about the effectiveness of using and not using contraception via interactive games and activities.	Kim Graybill
11:10-12:00	<b>Surviving Your First Year of Teaching</b> This session is designed to help prepare teachers for a successful first year of teaching! Topics covered include: syllabus building, your first week of school, an IEP crash course, a guide for running labs, resources for lesson planning, and overall tips for success you can use each day in your classroom.	Hannah Heller
11:10-12:00	<b>Incorporating Community Service/ Lead4Change Into Your Class or Club</b> Step by step guide to teaching your students 21st Century Skills through community service.	Tiffany Replogle

12:15-1:00	<b>Networking Luncheon; included with registration fee--all are invited to attend.</b>	
1:10-2:00	<b>Fashion Design &amp; Merchandising Portfolio</b> A semester project in one sitting! Join me as I take you through a semester-long portfolio project that's organized using Google Sites. In this session we will explore various fashion, design, and merchandising topics and learn how to build a Google Website!	Nicole McFadden
1:10-2:00	<b>Foods Labs--Where do I begin?</b> Are you struggling to find a good lab management system? Unsure of how to grade labs or fit them into your class periods? Help is here! In this concurrent session we'll cover lab planning, management and grading for all levels of culinary classes. This session is just what you need to get you on the right track.	Lori Krug
1:10-2:00	<b>Best Practices in Personal Development and Relationship Skills</b> Let's explore some go-to activities, practices, and projects for any course covering any content related to character building and relationships strengthening. We will explore a wide range of instructional techniques for guiding class discussions that get EVERYONE to participate. Then, we will look at engaging activities and projects related to multiple areas in personal development, relationship building, and even community issues.	Kailey Grapes
1:10-2:00	<b>Advising 101</b> Overwhelmed with starting an FCCLA chapter, you just want to build a stronger chapter, or just need help and managing the FCCLA chaos? Learn new ways to manage your chapter, grow your membership, and get your members active by attending this session on FCCLA programs, projects, and management.	Kristi Christy
1:10-2:00	<b>A Positive Teacher Makes a Difference</b> We will share ways to stay positive during a school year. We will demonstrate how and why they work!	Sandy Pizzo & Suzie Dudenhoeffer
1:10-2:00	<b>Education Essentials</b> The PSRS/PEERS Education Essentials presentation is designed to educate and inform you of the advantages your membership provides you and your loved ones right now and during the remainder of your lifetime. Important information you should be aware of when considering retirement includes retirement eligibility, calculating benefits, the types of benefit plans PSRS offers, purchasing service and how to plan ahead for retirement will be covered in this presentation.	Amanda Wooten PSRS
1:10-2:00	<b>Successful Classroom Management and Expectations</b> Strategies for keeping students accountable, respectful and successful in your classroom. How to set clear and reasonable expectations.	Liane Hager
1:10-2:00	<b>Incorporating the 4 C's with FAM Favorites</b> In this session, ready to use lessons and projects, around a variety of family concepts, will be demonstrated and provided that will engage students as they utilize and apply the 4 C's: Collaboration,	Kim Graybill

	Communication, Critical Thinking & Creativity.	
1:10-2:00	<b>Dual Credit Programs Panel Discussion</b> Learn about dual credit opportunities for FCS courses through UCMO and MSU.	Debra Price-Scheppmann & Krystle Gremaud
1:10-2:00	<b>New &amp; Returning (to FCS Ed) Teachers</b> Questions, questions, so many questions! If you are new to the classroom or returning after a time-out, come visit with content experts and get your answers in this Q&A session	Beth Beattie
2:10-3:00	<b>What's your ACEs Score?</b> The session will discuss Trauma Informed Learning. We will discuss the ACEs score and how it relates to education. What makes this session different from other TIL sessions is that it is from the perspective of someone that has experienced it. I will describe not only what trauma is and how it can be showcased, but also, HOW to help students that have experienced trauma.	Shelby Yake
2:10-3:00	<b>International Foods Starter Kit</b> Ever teach a class and feel like you have no starting point to work with? I've been there many times! So, in this course, you will receive: International Foods curriculum, presentations, lab guidelines, and recipes for you to build on for your own course!	April Gramenz
2:10-3:00	<b>Highlighting Your Program</b> Want to highlight your program through social media? Join me and learn how to show off the great things happening in your program.	Emily Daniel
2:10-3:00	<b>Culinary Competitive Events</b> Are you interested in participating in culinary competitive events such as ProStart Culinary, ProStart Management, FCCLA Culinary Arts, or FCCLA Baking & Pastry, but don't know where to begin? This session will explore the ins and outs of each event and provide some tips on how to take the plunge and get involved!	Christy Johnson
2:10-3:00	<b>From Cooking to Catering - How to Add Work-based Learning to Any Classroom</b> In this session we will walk you through the steps we took to start our Culinary Arts Work-Based Learning take home meal business. We will walk through the process from start to finish of implementing this program and what we've learned along the way. This session is for all content areas and you'll leave with tips and tricks for creating timelines, grading, and more associated with work-based learning.	Sonora Jones
2:10-3:00	<b>All By Myself</b> Teaching in a one-teacher department? Come hear from our panel about innovative approaches to teaching without other FCS professionals on your campus	Erica Libbert Melanie McClure Erin Armstrong Olivia Walters
2:10-3:00	<b>Adulting 101 Course</b> Want to teach an adulting 101 course at your high school or want to incorporate these skills into classes you already have? Come check it out!	Hali Hill
2:10-3:00	<b>Family Literacy Bags: A Community Service Project</b> This session will focus on how to do a hands-on service project with your students in order to give back to local literacy programs,	Kim Graybill

	<p>elementary schools and/or preschools. Participants will learn how to create Family literacy bags that encourage families in their community to spend quality time together reading and engaging in developmentally appropriate activities.</p>	
2:10-3:00	<p><b>Bulldog Bakeshop: Fusing Baking &amp; Entrepreneurship</b>  This session will explore how I fuse together baking and entrepreneurial skills through my Bulldog Bakeshop class. This class was one that I inherited when I joined the SCHS team, but I have revamped it and made it my own this year. During this presentation I will share tips on starting or running a bakeshop, entrepreneurial activities, unit plans, and more! If time, participants will get a taste at participating in one of the entrepreneurship activities planned for this course.</p>	Tara Vignola
2:10-3:00	<p><b>Project Based Learning In The Classroom</b>  How to get kids more interested in projects, teach collaboration and reach across other content areas. Get specific project ideas.</p>	Liane Hager
3:10-3:35	<b>Best Practices Session 1</b>	
3:40-4:00	<b>Best Practices Session 2</b>	
4:10-4:30	<b>Basket Drawings and Final Announcements</b>	Debra Price-Scheppmann
