B. Succession Planning

Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

Administration Division Policy Committee members, affiliate leaders, and ACTE Fellowship participants should be encouraged to consider running for ACTE leadership positions. Three candidates were selected to run in 2019-2020 for the VP-Elect role in 2020-2021.
### C. Region/Division Concerns

<thead>
<tr>
<th>What are your concerns for your Region/Division specifically?</th>
<th>What are the implications for ACTE?</th>
<th>In what capacity can ACTE assist in addressing this issue?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Concerns about the definition of a Perkins Concentrator (some states have defined this differently in legislation)</td>
<td>Legislative Advocacy</td>
<td>Continued legislative presence</td>
</tr>
<tr>
<td>Conference participants want more time to engage in planning and discussion. Some have suggested alternating presentation sessions with times for reflection and implementation planning.</td>
<td>In order to continue growing ACTE conferences, it is important that participants feel that their time is well spent.</td>
<td>Consider restructuring some conference sessions to allow for more planning and discussion time. These times can be supported by session presenters and topic experts.</td>
</tr>
</tbody>
</table>
