A. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engaging your members with you! Please also let us know how you have engaged ACTE members within the past 4 months.

- Published the Winter newsletter
- Recruiting members to serve as evaluators for 2022 conference session proposals for Best Practices & Innovations Conference and VISION 2022
- Policy Committee members actively promote membership within their regions and states
- Promoted ACTE webinars to division membership.

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE’s publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

- VISION planning
- Welcomed newly-elected fellowship participants.
- Held Policy Committee Zoom Meeting
- Participated in Xello’s “Taking Business to School” publication series and will be hosting a webinar with panelists that highlights the partnership between Northrop Grumman and Grand Forks Public Schools

B. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?
Administration Division Policy Committee members, affiliate leaders, and ACTE Fellowship participants are being encouraged and utilized to fill ACTE leadership positions. Former fellows Dr. Julie Pack and Scott Rogers are both now serving on the Admin Division Policy Committee, former Admin fellow Martin Hanley is serving on the By-Laws Committee. The fellowship experience provides engaged leaders that are expected to continue serving in ACTE leadership roles upon the completion of their fellowship experience and current fellows Wendy Perry and Suzi Raiford have been actively involved within Division activities and meetings.
