

ACTE's CareerTech

VISION 2022

ATTENDEES GAVE ACTE'S CAREERTECH VISION 2022 A BIG THUMBS-UP

T

wo thumbs up! ACTE celebrated its largest gathering of career and technical education (CTE) stakeholders in more than two decades. CareerTech VISION 2022 took place Nov. 30–Dec. 3 in Las Vegas, Nevada, and we're already looking forward to VISION 2023 in Phoenix, Arizona, this fall. But for now, if you'll indulge us through these long winter months, let's remember the warm sense of community we shared.

"There were many memorable moments... the Awards Gala, the CareerTech Expo, the Friday morning MEGA Sessions. And the concurrent sessions were so popular. Many were standing room only!" said Michael Connet, ACTE's associate deputy executive director of outreach and partnerships. "But my favorite part of VISION is getting to see so many longtime friends from across the country and making many new ones."

We are so grateful for each of you who chose to share your time with us. This event and this organization wouldn't be possible without you, our devoted and tireless members. Thank you for everything you did to get through the last three years and everything you did before and everything you will do for the future of CTE.

Special thanks go to Amy Loyd, Ed.L.D., assistant secretary in the Office of Career, Technical and Adult Education (OCTAE) at the U.S. Department of Education, and Luke Rhine, deputy assistant secretary, along with other OCTAE staff, for their attendance and participation at VISION 2022.

ACTE® AWARDS

Celebrate the Best in CTE

The ACTE Excellence Awards recognize those individuals who make extraordinary contributions to CTE. Truly, we know that's all of you. (Consider nominating a colleague next year!) Awards given at the region and national levels exemplify the highest standards in education and celebrate the stakeholders who work to promote and expand high-quality CTE programs.

Award winners demonstrate a commitment to service.

The national winners were announced at the sold-out Awards Gala in Las Vegas, Nevada, Nov. 30, during ACTE's CareerTech VISION 2022. The Awards Gala was sponsored by Express Employment Professionals, CareerSafe, Goodheart-Willcox, and Stratasys. Thank you to everyone who celebrated with us from near and afar.
