### Happy CTE Month!

On January 25, 2023, Governor Lombardo proclaimed February as Career and Technical Education Month in Nevada to recognize the positive impacts of CTE programs on Nevada's students and workforce.

The co-chairs of the House CTE Caucus are leading the House's annual CTE Month resolution marking February as CTE Month. The resolution raises awareness about the many benefits associated with high-quality CTE programs on the national scale. By requesting support for the resolution, you are continuing to elevate the benefits of CTE to policymakers at a critical time for CTE advocacy. The deadline for original House cosponsors to sign on is February 8, 2023, but cosponsors may join at any time throughout February – the House attempts to pass the resolution at the end of February through unanimous consent. Ask your senators to cosponsor this year's CTE Month resolution:

### Celebrate CTE Virtual Conference

February 4, 2023  
9 AM - 3 PM

*Communicate - Collaborate - Create - Celebrate*

NACTE's first annual Celebrate CTE Virtual Conference was held on February 4, 2023, and featured keynote speaker Rachael Mann, 20 different breakout sessions, and had over 180 registered attendees. It was a great way to kick off CTE Month!

*If you attended the conference and still need your certificate of professional learning hours, please contact [NACTEdirector@gmail.com](mailto:NACTEdirector@gmail.com). Once we verify your attendance, we will send you your certificate.*

## Incline Transition to Culinary Arts

Incline High School would like to recognize one of its own, Mr. Neil Young, for his exceptional work as a foods and nutrition teacher. Mr. Young has been inspiring and guiding their students for many years and has made a lasting impact on countless students, both in and out of the classroom.

Mr. Young's passion for cooking and love for teaching are evident in everything he does. He creates a warm and engaging learning environment, and his lessons are always filled with hands-on activities and real-world applications. Students are immediately drawn in by his energy and enthusiasm, and they leave his class with a newfound appreciation for the culinary arts.

What sets Mr. Young apart, however, is his ability to connect with students on a personal level. He takes the time to get to know each of his students, and he works tirelessly to help them develop the skills and confidence they need to succeed. Whether he is helping students perfect a recipe, encouraging them to try new techniques, or simply offering words of encouragement, Mr. Young is always there to support his students.

It is this dedication to his students that has made Mr. Young one of the most popular and beloved teachers at Incline High School. His impact on the community extends far beyond the classroom, and he has been a true asset to their school.

Want to put a spotlight on an outstanding person, practice, or program in next month's newsletter? Fill out the [CTE Spotlight](#) form.

### Get Involved!

*NACTE needs an Engagement Coordinator. This is a voluntary, voting member of the Board and helps us keep our members informed and engaged (see link above for details). If you are interested or would like more information, email [NACTEdirector@gmail.com](mailto:NACTEdirector@gmail.com).*

## GET INVOLVED

Nevada's 82nd Legislative Session starts this week (ends June 5, 2023), and there are a number of issues that directly impact CTE educators. If you are interested in finding out more about Nevada's legislative process or want to find out how to track bills, check out this

[Nevada Legislative Process/Session Tracking Resource](#).

Region V is also hosting monthly [Advocacy Huddles](#) to help members understand the tools and processes to best advocate and promote CTE in your school, community, state, and nation by engaging and sharing what is happening around Region V. Check out the link above for more information.

## ACTE Region V Conference April 12-15, 2023

Discover a World of Opportunities at the ACTE Region V Meeting in Fargo, North Dakota, from April 12-15. Whether you are a first-timer or a seasoned veteran, you will find something new at this conference. A few highlights of the conference include a presentation from motivational speaker, Alex Kajitani, and an evening tour and meal at the Fargo Air Museum. Thursday's afternoon events will include various business and industry tours that are in and around the Fargo, North Dakota, area. Region V awards up to ten \$500 stipends for first time attendees ([application](#) - deadline is March 1). Check out the [Region V](#) website for more information about the conference.
