Newsletters

E-blast request for Career Cluster work– members in FCS need to know what is going on since FCS isn't clear in the Clusters model. Hoping our members will have the ability to engage industry.

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE's publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

FCCLA has been hosting some really awesome industry tours during the school year.

Do we take a step in the IAED arena and do an article on LBGTQA in CTE (maybe this has already been done) based on the current climate in states– CTE is for ALL.

C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

For VP- ACTE Vision is a time when you are EXTREMELY busy. Your schedule is planned out from a Board perspective, but you need to ensure that you are using your Policy Committee to help you do work-finding a keynote, building the budget for the year, coming up with ideas for social times, and being at meetings when you can't due to Board responsibilities. etc.

Organization is key. Use the Google Drive for ALL things as a VP.

D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
I'd love to do some niche things for FCS. Counseling has RECCES and WBL has some webinars. I'm wondering if we mirror those in other divisions or do we come up with our own way to connect more often to our members?	Connections to ACTE that shows more benefit to members. Potential increase of renewals or new memberships.	Help with organization, communication out to the membership, advertising.

E. Items to be placed on the Board Agenda for Discussion

(Only include items that require Board discussion or action. These will be placed on the Board meeting agenda.)

None at this time.
