ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE's publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

None at this time-excited for Michael to officially begin his term as region VP in July!

D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
IAED Implications with states that are having state policies or executive orders regarding "indoctrination" theories.	Attendees being unable to attend due to agenda items surrounding IAED.	Be mindful of session focus and not limiting conference themes around IAED. Really just awareness.

(Only include items that require Board discussion or action. These will be placed on the Board meeting agenda.)
