## A. Strategic Plan

Provide an update as to the progress /implementation of the Strategic Plan.

- Actions you have taken
- Successes you have had
- Support you still need

The implementation and start of our region IV leadership fellows program is off the ground. We have participants from all of our states with the exception of one. They have been meeting monthly under the direction of our fellowship leader Brent Casey, policy member from Oklahoma. This aligns to our strategic plan and provides region IV to continue to develop leaders in our region for future positions.

List the strategies that have been completed.

The diagram illustrates the ACTE Strategic Plan Elements, which are organized into seven interconnected segments around a central logo. The segments are: 1. Inclusion, Access, Equity and Diversity (purple, bottom-left); 2. Strategic Partnerships (teal, bottom-center); 3. Teacher Pipeline Shortage (blue, bottom-right); 4. Professional and Leadership Development (green, right-center); 5. Advocacy and Awareness (light blue, top-right); 6. Regional Engagement (dark blue, top-left); and 7. A segment with a group of people icon (grey, top-left). The central logo features the ACTE logo and the text 'Strategic Plan ELEMENTS'.
