Empowering High Quality CTE for Students

KENTUCKY CTE

EMPOWERED

Today’s Career and Technical Education

2023 Career and Technical Education Summer Program
July 18-21, Galt House Hotel, Louisville, Kentucky

Conference Program
Welcome!

Dear Fellow CTE Professionals:

Welcome to the 2023 Kentucky Career and Technical Education (CTE) Summer Program! The annual CTE Summer Program truly is a statewide professional development conference created by and presented for all CTE teachers, administrators and counselors. The Kentucky Association for Career and Technical Education (KACTE), the professional association of CTE teachers and administrators that manages the annual CTE Summer Program, is grateful for your attendance and participation.

The 2022-23 year has been one of continued growth for the CTE community. After navigating the difficulties of the pandemic, our students are receiving the highest quality in-person learning. Student organizations are conducting leadership training and competitions. The importance of CTE in our schools and communities is recognized statewide. The CTE community is moving forward to make access and equity available for every student.

KACTE will move forward in the 2023-24 administrative year with the theme of KACTE: Moving the Needle! See how KACTE works for you with our professional development grants and opportunities, the KACTE Fellows Leadership Academy, the CTE Learn on-line professional development portal, advocacy through our agreement with McCarthy Strategic Solutions, and scholarship opportunities for members, pre-service CTE education majors, high school seniors, and classroom teachers.

The annual CTE Summer Program is a product of the entire CTE community, but it would not be possible without the diligent work of the 2023 Summer Program Planning Committee. I take this opportunity to publicly thank each committee member for his or her involvement in the planning process.

As the organization responsible for implementing the CTE Summer Program, KACTE is grateful for the support provided by the Kentucky Department of Education's Office of Career and Technical Education (OCTE), the Kentucky Community and Technical College System (KCTCS), and other partners and stakeholders. The association is extremely appreciative of their support.

As you begin to make plans for the upcoming school year, I hope you find resources at the Summer Program that will greatly improve your instruction. Please take advantage of the interactions and networking opportunities you will find in The CTE Meeting Place, as well as the content specific and general knowledge sessions.

It is our hope that you will continue your dedication to CTE -- as well as support and joining KACTE -- and encourage others to do so, as well. KACTE can only continue to provide the outstanding services, benefits, and opportunities to CTE professionals with the support from members across the Commonwealth.

Sincerely,

J.R. Drummond
J.R. Drummond
2022-23 KACTE President
2023 Statewide Career and Technical Education Summer Program

is presented by

Kentucky Department of Education
Office of Career and Technical Education (OCTE)

Kentucky Community and Technical College System (KCTCS)

Kentucky Association for Career and Technical Education (KACTE)

The presenters thank you for your attendance and participation and hope that you enjoy a valuable learning experience.
Thank You Sponsors!

Free Parking!!

For attendees who will be commuting to the 2023 Career and Technical Education Summer Program, a free parking location and shuttle service to the Galt House Hotel will be available on Wednesday-Friday, July 19-21, for the first 20 individuals who request the parking permit. This service is provided in response to annual complaints about the lack of and cost of parking at and near the Galt House Hotel.

Jefferson Community and Technical College agreed to provide 20 parking passes entitling users access to the Jefferson Technical College parking lot at 8th and Magazine (behind Building A of the JTC campus at 8th and Chestnut). Commuters may wish to carpool to increase the number of individuals who can take advantage of this complimentary service. To request a pass, please e-mail kmstone1951@gmail.com.

The CTE Summer Program has contracted with Miller Transportation for an air-conditioned school bus to serve as a complimentary round-trip shuttle between the 8th and Magazine parking lot and the Galt House. Pick up and delivery at the Galt House will take place outside the main lobby of the West Tower. The schedule follows.

Wednesday, July 19, beginning at 7 a.m., the shuttle will make round-trips every 30 minutes until 9 a.m.; hourly round-trips between 9 a.m.-3 p.m.; and 30 minute round-trips from 3 p.m.-7 p.m.

Thursday, July 20, beginning at 7 a.m., the shuttle will make round-trips every 30 minutes until 9 a.m.; hourly round-trips between 9 a.m.-3 p.m.; and 30 minute round-trips from 3 p.m.-6 p.m.

Friday, July 21, beginning at 7 a.m., the shuttle will make round-trips every 30 minutes until 9 a.m.; hourly round-trips between 9 a.m.-10:30 a.m.; and 30 minute round-trips from 10:30 a.m.-1 p.m.

The 2023 Career and Technical Education Summer Program Planning Committee hopes this service will enhance program participation and provide a convenience for commuters.
Name Badges

Name Badges must be worn by Summer Program participants to all official Summer Program sessions, concurrent program meetings, in the CTE Meeting Place, and special meal functions. Meeting facilitators and uniformed guards will be monitoring meeting rooms and *The CTE Meeting Place* entrances.

Replacement Badges are available at the Registration Desk located in *The CTE Meeting Place*. A $5 fee will be assessed for each replacement badge.

Event Schedule

The 2023 CTE Summer Program schedule of professional development programming is available for smartphones or tablets via QR code, which is displayed on signs in *The CTE Meeting Place* and other locations in the Galt House Hotel.

The complete program in PDF format can be accessed at [www.kyacte.org](http://www.kyacte.org) in the Summer Program section. Attendees may print out their own copies of the program.

Complimentary Continental Breakfast on Wednesday & Thursday

A complimentary continental breakfast will be provided to all participants on Wednesday, July 19, and Thursday, July 20. The continental breakfast will be available in *The CTE Meeting Place* (Galt House East Tower Grand Ballroom A and Exhibit Hall) from 7:00-9:00 a.m. Attendees can dine in *The CTE Meeting Place*.

Complimentary Lunch on Wednesday & Thursday

A complimentary box lunch will be provided to all participants on Wednesday, July 19, and Thursday, July 20. The box lunches - *one for each attendee, please* - will be dispensed at several locations in the *The CTE Meeting Place* (Galt House East Tower Ballroom A and Grand Hall) during the 11:30 a.m.-1:00 p.m. lunch break. Attendees can dine in the *The CTE Meeting Place*.

Professional Organization Dues and Memberships

New and renewal professional dues may be paid during the conference on Tuesday, July 18-Thursday, July 20, at the KACTE Booth located in *The CTE Meeting Place* (Galt House East Tower Grand Ballroom A and Exhibit Hall) and at booths or locations of other professional associations within the Galt House Hotel and Suites or *The CTE Meeting Place*. *Membership incentives, silent auctions, and gift raffles will be offered by most organizations.*
Leadership, Professional Development Hours/Certificates
School districts may award Professional Development hours for attendance at the Annual Statewide Career and Technical Education (CTE) Summer Program. The CTE Summer Program offers the opportunity for up to 15 Professional Development Hours.

Attendees will receive a certificate of attendance/participation for the 2023 CTE Summer Program upon the completion of the CTE Summer Program evaluation in August to document attendance/participation. The evaluation instrument will be sent by e-mail by mid-August to each person who attended. Only those who registered and picked up their name badge to verify attendance will be e-mailed the evaluation form. If you did not complete the registration form personally, you must check with the Registration Desk to verify the e-mail address to which the evaluation instrument will be e-mailed. ONE DAY ATTENDEES must pick up their certificates at the end of the day of attendance. Daily certificates will not be e-mailed.

CONFERENCES do not require, and do not receive, an Effective Instructional Leadership Approval (EILA) number. KAR 704 KAR 3:325 (Sec. 3(2a)) allows districts to award up to 6 hours of EILA credit to instructional leaders, each school year, for educational conferences.

There are select sessions/meetings at the CTE Summer Program that are approved for EILA hours. EILA certificates will be distributed to attendees at approved sessions. Attendees must pickup EILA certificates at the session. EILA certificates will not be mailed following the conference.

Go to http://education.ky.gov/teachers/PD/Pages/EILA.aspx for more information related to EILA.

Evaluation
The post-conference e-mail evaluation is an effort to improve the Annual Statewide Career and Technical Education Summer Program. As explained above, all CTE Summer Program registrants will receive a certificate of attendance after completing the evaluation. The evaluation feedback is reviewed and used by the Planning Committee to develop the next year’s CTE Summer Program.

Door Prizes
Attendees must be present to win door prizes to be given at the Wednesday and Thursday lunches and the Refreshment Break on Wednesday, July 19, 2:30-3 p.m. in The CTE Meeting Place (Galt House East Tower Ballroom A and Grand Hall).

Attendee Reception at KACTE Annual Meeting
All attendees are invited to the KACTE Annual Meeting, Wednesday, July 19, 5:45 p.m., in the Archibald room of the Galt House Hotel West Tower, Third Floor. Light refreshments and snacks will be available. Door prizes will be presented.
Opening Session

Galt House Hotel East Tower, Ballrooms B&C
Wednesday July 19, 8-9:50 a.m.

7:30 a.m. Prelude

8 a.m. Call to Order: J.R. Drummond, President, Kentucky Association for Career and Technical Education (KACTE)

Acceptance Remarks: Josh Mitcham

Light refreshments and snacks will be provided. Door prizes will be drawn and awarded to those present.
**CTE Learn is Kentucky’s Online PD Portal Just for You**

**COMING SOON** -- Two new CTE Learn courses authored by Kentucky CTE professionals, who each earned a $1,000 stipend for their effort, will be available at no cost to Kentucky Association for Career and Technical Education (KACTE) members. KACTE will continue the CTE Learn course development stipend opportunity in 2024.

**Do you have a classroom innovation or research to share?**

Please e-mail kmstone1951@gmail.com for an application or for more information.

---

- ★ More Than 180 Self-Paced Online Courses
- ★ Each Course Provides 4 Hours of Continuing Education
- ★ Digital Badge & Certificate of Completion
- ★ Opportunity to Apply for College Credit

Please visit the KACTE Online Learning Portal -- [https://ky.ctelearn.org](https://ky.ctelearn.org) -- to learn more about the Professional Development opportunities available for all CTE professionals at all levels of CTE instruction. Discounts for KACTE members and organizational/school groups are available, as well as free resources.

**Watch a 1-Minute Video on CTE Learn’s Kentucky Professional Development Portal**

[https://youtu.be/AXeRYI_6ldI](https://youtu.be/AXeRYI_6ldI)
CTE Learn Offers Professional Development Credit From the Convenience of Your Personal Computer

CTE Learn's credit courses are endorsed by University of Central Missouri (UCM), a regionally accredited public university. Participants have the opportunity to earn college credits for their completed CTE Learn courses. They can earn 1 Semester Credit Hour (SCH) for any block of 4 CTE Learn courses. In addition to eligibility to apply for both undergraduate and graduate college credit, completion of CTE Learn courses also provides participants with a professional development recognition badge and certificate of completion. Visit https://ky.ctelearn.org/college-credit/ to learn more!

CTE Learn Testimonials:

EC102 -- I really enjoyed being able to complete the learning style and multiple intelligences assessments. The information was interesting to me and gave me some ideas of things I could do in my class. -Amy J.

LC102 -- This course provided me with excellent tools to use as a Career Tech Counselor for helping to build a community of partners.

Dierdre P.

LC110 -- This course opened my eyes to a part of CTE administration I have not really given much attention to before. Developing a safety plan, ensuring staff are appropriately trained, and students are trained as well, are very important to having a safe CTE class, but also preparing students for the world of work. -Kellee S.

LC160 -- This online-course is a great tool to gain a lot of information regarding the federal Perkins funds. The course has provided me with the necessary knowledge to improve my understanding of work practice as a Program Advisor for Perkins, as I am a newbie to the field.

Yolanda A.

AS A REMINDER, your Online Learning Center offers more than 180 self-paced credit courses for CTE professionals. Each course provides four hours of continuing education credits. Participants can enroll in any course at any time to meet their individual learning needs. Completion of CTE Learn credit courses provides participants with a professional development recognition badge, a certificate of completion, and eligibility to apply for both undergraduate and graduate college credit.

More Professional Development Opportunities

KACTE FELLOWS is a leadership development opportunity for Kentucky CTE professionals modeled after the Association for Career and Technical Education (ACTE) National Leadership Fellowship Program. The 2023-24 cohort will be formed by Sept. 1, 2023. Two in-person sessions, hotel, meal and training costs provided, will be held in the fall and winter. The Academy culminates with a planned presentation at the 2023 CTE Summer Program in Louisville at the Galt House July 9-12, 2024. Use the QR code to apply. Selected participants receive a $250 stipend to offset additional expenses.

TEACHING, LEARNING AND ADVOCACY RESOURCES in all pathways are available to KACTE members through the Association for Career and Technical Education (ACTE), the national organization for CTE teachers and administrators. Review the available resources at www.acteonline.org.

Kentucky Farm Bureau
2023 Career Technical Education Awards

The Kentucky Association for Career and Technical Education (KACTE) participates in the Association for Career and Technical Education (ACTE) national awards program to promote excellence in Career and Technical Education. The Kentucky Farm Bureau Federation sponsors the annual Career and Technical Education (CTE) Awards, which seek to recognize:

- individuals who have made extraordinary contributions to the field;
- programs that exemplify the highest standards; and
- organizations that have conducted activities to promote and expand Career and Technical Education programs.

KACTE conducts the awards program, which is organized under the guidelines established by ACTE. There are 13 award categories, each with various criteria and eligibility requirements. KACTE members and individual program areas are encouraged to participate each year by submitting nominations to the KACTE Awards Committee chair. The Awards Committee reviews the nominees and selects the winners. Information on awards, the criteria and the nominations process may be viewed on-line at the KACTE website, www.kyacte.org in the membership section or at www.acteonline.org.

KACTE award winners are entered into the appropriate ACTE national award category for the following administrative year. In recent years, several KACTE members have been recognized nationally, including:

★ 2023 ACTE National New Teacher of the Year finalist Tara Poe, agriculture teacher, Bourbon County High School, for New Career and Technical Teacher.
★ 2022 ACTE National New Teacher of the Year Ashley Rogers, agriculture teacher, Nicholas County High School.
★ 2021 ACTE National Carl Perkins Community Service Award winner Tammy Camel, family and consumer sciences teacher, Rockcastle County High School.
★ 2020 ACTE National Career and Technical Administrator of the Year Laura Arnold, Director of Workforce Development, Nelson County Schools; and Lifetime Achievement Award finalist Doris Sikora, Ph.D., Professor, Western Kentucky University.
★ 2019 ACTE National New CTE Teacher of the Year finalist Bethany K. Mattingly, agriculture teacher, Seneca High School, Jefferson County, and ACTE Carl Perkins Community Service Award finalist Rosemary O. Jones, family and consumer sciences teacher, Bell County High School.
★ 2018 ACTE National CTE Teacher of the Year finalist J. Wes York, agriculture teacher, Caldwell County High School.
★ 2017 ACTE National CTE Teacher of the Year Sarah Raikes, family and consumer sciences teacher, Washington County High School, and ACTE National New CTE Teacher of the Year Jacob Scott Ball, agriculture teacher, Locust Trace Agriscience High School, Fayette County.
★ 2016 ACTE Champion of the Year Terry Holliday, Ph.D., former Kentucky Commissioner of Education and a leader in promoting Career and Technical Education throughout the United States.
★ 2013 ACTE National Career and Technical Educator of the Year Tony Brannon, Ph.D., Dean, Hutson School of Agriculture, Murray State University.
★ 2011 ACTE National Outstanding Teacher in Community Service finalist Phyllis Sweatt, family and consumer sciences teacher, Bowling Green High School.
★ 2010 ACTE National CTE Educator of the Year finalist Dale Winkler, Ed.D., then principal, Montgomery County Area Technology Center; formerly Associate Commissioner, Kentucky Department of Education and Kentucky CTE State Director.
★ 2009 ACTE National CTE Educator of the Year finalist Ginny Ellington, University of Kentucky, and ACTE National Teacher of the Year finalist Ellie Pribble, health science technology, Harrison County Area Technology Center;
★ 2007 ACTE National CTE Teacher of the Year Leslie Watkins, family and consumer sciences teacher, Reidland High School;
★ 2001: Sarah Raikes, family and consumer sciences teacher, Washington County High School, was the first recipient of the ACTE Outstanding Teacher in Community Service Award (now the Carl Perkins Community Service Award); Donnalie Stratton, Program Consultant, Kentucky Department of Education, Office of Career and Technical Education, received the Carl D. Perkins Humanitarian Award, then one of the highest honors bestowed by ACTE; and Sandra Miller, Ph.D., Professor Emeritus, University of Kentucky, received an ACTE Outstanding Service Award.

In 2023, KACTE presents state winners in eight categories:

- Counseling and Career Development Professional Award
- Career and Technical New Teacher of the Year
- Carl Perkins Community Service Award
- Business-Education Partnership Award
- Career and Technical Teacher Educator of the Year
- Career and Technical Administrator of the Year
- Lifetime Achievement and Hall of Fame Award
- Career and Technical Teacher of the Year

KACTE expresses its sincere thanks to the Kentucky Farm Bureau Federation for the support that makes these awards possible year after year.

Rachel Stanfield
COUNSELING AND CAREER DEVELOPMENT PROFESSIONAL AWARD

Mrs. Stanfield, Mason County High School, is an avid supporter of Career and Technical Education, dedicating her life to helping students find their success through career exploration and development. She has worked with her district at all levels to coordinate 28 different career-related pathways at her school.

Students at Mason County High School have access to as many CTE courses as they desire through her work. Mrs. Stanfield has focused on building CTE pathways access to her community as well through their school-to-work program. Currently, she has students working in the community in biomedical, aviation, agriculture, culinary, and child development pathways.

Rachel Stanfield
Mrs. Stanfield spends the time to get to know each of her students and help them get to know their career goals. She is a member of the Kentucky School Counselor Association, American Counseling Association, Kentucky College and Career Counselor Association, and annually attends the CTE Summer Program as a presenter and participant.

**NAOMI CHAMBLEE**

**CAREER AND TECHNICAL NEW TEACHER OF THE YEAR**

Ms. Naomi Chamblee is an Information Technology teacher at Shelby County Area Technology Center. Ms. Chamblee focuses on developing the whole person in order to prepare her students with all of the skills they need to be successful in whatever career they choose.

She has worked with her students to start a Technology Students Association (TSA) program, which is already seeing rewards at the regional, state, and national levels. She sought out ways to allow student learning to extend beyond the classroom and into the community. Her projects for upcoming years include community computer classes, family emergency plan development, and school wide interactive exit routes.

From serving as a panelist for the NICE Cybersecurity Conference to presenting at the CTE Summer Program, Ms. Chamblee is already proving to be a support not just to her students but to her peers as well.

**SHANNON ROBERTS**

**CARL PERKINS COMMUNITY SERVICE AWARD**

Mrs. Shannon Roberts is a Family and Consumer Sciences teacher at Mason County High School. Over the last 21 years, she has been extensively involved in local, state, and national levels of promoting Career and Technical Education and Family, Career and Community Leaders of America (FCCLA).

The bulk of Mrs. Roberts after school time is spent continuing to teach others through service. Her students started the “Greens for Gifford” scholarship service project in 2013. They hand make 75 wreaths to fund the program each year. Through the Rae of Sunshine and her SMILE Club, more than 200 students joined to break the stigma of mental health and spread positivity through mental health awareness events.

She is known for holding collections for the homeless shelter, organizing community baby showers, putting on Think Pink nights for cancer awareness, hosting games at preschool programs, trick or treat at nursing
homes, and much, much more. Mrs. Roberts served in leadership roles in KACTE, the Kentucky Association of Teachers of Family and Consumer Sciences, the National Association of Teacher of Family and Consumer Sciences, and FCCLA.

Kentucky Family Resource and Youth Service Centers
Kentucky Business-Education Partnership Award

Mark Hobbs
Career and Technical Teacher Educator of the Year

Mr. Mark Hobbs is a teacher educator who truly has done it all within Career and Technical Education. He started in industry where he worked as a mechanic for 20 years.

In 2001, he began teaching in the high school classroom. Most recently, Mr. Hobbs has been a teacher educator at Harrison County Area Technology Center. He can be found working after hours many days mentoring new teachers.

Mr. Hobbs has given many years of service to professional organizations, including KACTE, where he served as president, president-elect, past-president, membership chair, bylaws chair, service area vice-president, and treasurer.

Joey Norman
Career and Technical Administrator of the Year

Mr. Joey Norman has spent 19 years in education in Kentucky. After four years as principal at Warren Central High School, Mr. Norman will take over at Glasgow High School for the 2023-24 school year.

Over his years at WCHS, he worked to improve Career and Technical Education through increasing CTE teachers, investing in classroom resources and materials, upgrading CTE classrooms, and increasing dual-credit offerings.
Mr. Norman sees the impact student organizations have; therefore, he helps fund FBLA, FCCLA, and FFA. Understanding the importance of collaboration between administrators, teachers, and community is what fuels his success. Mr. Norman is an administrator who fully supports CTE in all levels of practice.

## Phyllis Sweatt

**LIFETIME ACHIEVEMENT AND HALL OF FAME AWARD**

Throughout her career as a Family and Consumer Sciences educator, Mrs. Sweat dedicated her life to shaping the youth across the state of Kentucky. In addition to her classroom achievements, she had success with Family Career and Community Leaders of America with numerous regional and state officers and competitors at the regional, state, and national levels.

She provided opportunities for her students to travel to new sites and receive experiences they might not ever have, even if that included buying them a uniform for work or competition out of her own pocket.

Not only is Mrs. Sweat dedicated to Career and Technical Education, but also she is dedicated to her professional organizations. She has served in many different leadership roles at the regional, state, and national levels of her many professional organizations and encourages young teachers to get involved and be a part of their tribe. She has an ability to draw students into the program and promote Career and Technical Education across the board.

## Elizabeth McGinnis

**CAREER AND TECHNICAL TEACHER OF THE YEAR**

Ms. Elizabeth McGinnis has been working in nursing and healthcare for more than 40 years. Currently, she serves as a Health Science teacher at Paul Blazer High School.

She is a dedicated teacher working incredibly hard to ensure that students gain the knowledge they need to succeed in the healthcare industry. Every senior in HOSA 2023 passed the state registry exam under her lead.

Ms. McGinnis gives her students experiences outside of the classroom through the H.O.P.E. (Health Occupations and Professions Experience) program. The H.O.P.E program is a six-week shadowing incentive for underclassmen that engages students in multiple disciplines of healthcare. The goal of the program is to introduce students to multiple healthcare professions, involving them in the community and encouraging them to seek future careers in the field.
Ms. McGinnis provided CPR certifications to approximately 50 Health Science students each year, improving community access to early emergency cardiac care. She volunteers hours for many community projects including: BBBS Tree sales and serving as adjunct faculty at Ashland Community and Technical College in the nursing programs. Ms. McGinnis is a member of KACTE and the Kentucky League of Nursing.

2023 ACTE Award Candidates from Kentucky

REPRESENTING KENTUCKY in the 2023 ACTE national award competition are last year’s honorees:
★ Brandi Lee, Grayson County School System, Counseling and Career Development Professional Award.
★ Thomas Poole, agriculture teacher, South Warren High School, New Career and Technical Teacher of the Year.
★ Angela Gott, professor, Western Kentucky University, Career and Technical Teacher Educator of the Year.
★ Sharon Collins, Kentucky Department of Education Office of Career and Technical Education, Lifetime Achievement and Hall of Fame Award.
★ Amanda Guzik, family and consumer sciences teacher, Lyon County High School, Career and Technical Teacher of the Year.

The first level is ACTE Region 2 competition. Winners will be announced at the ACTE Region 2 Conference in Huntsville, Alabama, October 12-14, 2023. Regional winners will be forwarded to the ACTE Awards Committee. National winners will be announced at Career Tech Vision 2023, the ACTE convention, in Phoenix, Arizona, November 29-December 2, 2023.

KACTE extends a special thank you to the Kentucky Farm Bureau Federation for sponsoring the awards program.

KACTE Award for Meritorious Service on Behalf of Career and Technical Education in Kentucky

Two of the Kentucky Association for Career and Technical Education (KACTE) purposes embodied in the organization’s bylaws are to foster excellence in Career and Technical Education (CTE) in Kentucky, and to advocate for Kentucky and national policy to benefit CTE. These efforts have led, in part, to increased awareness by the Kentucky General Assembly of CTE’s vital contributions to the Commonwealth’s economy and workforce development. In 2022, the Association instituted KACTE’s Award for Meritorious Service on Behalf of Career and Technical Education in Kentucky.

This discretionary Award is determined by the KACTE Liaison Committee Chair and the KACTE Officers based on individual contributions to enhancing the quality, equity and access of CTE in the state. In recognition of his championing the value of CTE, KACTE bestows the 2023 award to:
★ The Honorable James Tipton, Representative from District 53, Kentucky House of Representatives.
In the 2023 Kentucky General Assembly session, Rep. Tipton chaired the House of Representatives Education Committee. His legislative initiatives continued the evolvement of CTE as a necessary and vibrant part of Kentucky’s public education system.

**KACTE Scholarships, Grants and Awards**

The Kentucky Association for Career and Technical Education (KACTE) annually presents several scholarships, grants and awards. These programs are the professional association’s continuing mission to support its membership and grow the profession of Career and Technical Education (CTE) teaching. The recipients of the 2022-23 programs are listed below. KACTE looks forward to presenting additional scholarships, grants and awards during its 2023-24 administrative year. The complete list of available scholarship, grants and awards is posted on the KACTE website, [www.kyacte.org](http://www.kyacte.org) in the Education section.

**Carl D. Perkins Assistanceship Award**

The oldest KACTE scholarship program is the Carl D. Perkins Assistanceship Award, which annually presents two $500 scholarships; one to a secondary student preparing to study CTE at a Kentucky postsecondary institution, and one to a postsecondary student continuing his or her studies at a Kentucky postsecondary institution. Applications are available on the KACTE website, [www.kyacte.org](http://www.kyacte.org).

The 2023 recipients are:

- **Makenzie Claywell**
  Warren East High School

- **Emily Elam**
  Morehead State University

**Michael A. McMillen Student Teacher Scholarship**

The Michael A. McMillen Student Teacher Scholarship honors Mike McMillen, a KACTE/ACTE life member who died unexpectedly while preparing to attend the 2013 Kentucky CTE Summer Program. He was an administrator with the Kentucky Community and Technical College System. During his service to his profession, Mike was KACTE President and Treasurer. He held many committee positions at both the Kentucky and national levels.

The Michael A. McMillen Student Teacher Scholarship presents up to 15, $500 awards to pre-service teachers who will be pursuing their first classroom student teaching assignment. The money may be used for any purpose, such as transportation, clothing or supplies. KACTE will accept new applications for student teachers beginning with the fall semester of the 2023-24 school year. Teacher educators are asked to announce to their classes the availability of the scholarships for student teachers. Secondary teachers who know former students who will be student teaching in the upcoming year are asked to advise them of the availability of the scholarships. **The 2022-23 recipients are:**

- **Hannah Gibson**, Murray State University
Donnalie Stratton Middle School Summer Program Stipends

The Donnalie Stratton Middle School Summer Program Stipends are named for Donnalie Stratton, who retired in 2014 after 62 years of service as both a family and consumer sciences classroom teacher and program consultant with the Kentucky Department of Education. Ms. Stratton died in 2016. She held several positions on the KACTE Board and was 2001 recipient of the ACTE Carl D. Perkins Humanitarian Award.

Middle School CTE teachers are not eligible to receive professional development reimbursement from Perkins Act funds. KACTE created the Middle School Summer Program Stipend to support professional development through attendance at the annual Kentucky CTE Summer Program. Eligible teachers may apply in the spring of each year for a $500 stipend, which covers the cost of registration plus expenses. The 2023 recipients are:

★ Christy Caldwell, Heath Middle School
★ Lekisha Hembree, Garrard Middle School
★ Sarah James, Franklin-Simpson Middle School
★ Carly Martin, Beaumont Middle School
★ Catherine Poole, Franklin-Simpson Middle School
★ Whitney Stamm, Morton Middle School
★ Jennifer Strunk, Clark-Moores Middle School
★ Jennifer Williams, Lexington Traditional Magnet School

Stratton-Tipton Scholarship

The Kentucky Association for Career and Technical Education (KACTE) administers the Stratton-Tipton Scholarship, which is awarded annually to support a special needs student pursuing a postsecondary degree. The scholarship is named after Donnalie Stratton (see information above) and Bettie Tipton, a long-time administrator in the Kentucky TECH system, both of whom were pioneers in promoting education of special needs students. Contact KACTE (krisstone56@gmail.com) for more information on the Stratton-Tipton Scholarship eligibility requirements.

KACTE Entrepreneurial Contest

Each year, the Career and Technical Education Student Organization (CTSO) State Advisers conduct a contest to recognize outstanding student-designed and -presented entrepreneurial enterprises. KACTE sponsors the contest and provides $2,500 in prizes. Please watch for communications in the fall from the CTSO State Advisers announcing the contest and deadline. The 2023 KACTE Entrepreneurial Contest winners are:

★ Nathaniel Moore, Jessamine Career Technology Center, $1,000
★ Kayton Shewmaker, Marion County High School, $750
★ Carson Thompson, Green County High School, $500
★ Peyton Burnham, Mercy Academy, Louisville, $250

The CTE Meeting Place

Galt House East Tower Ballroom A and Grand Hall

The 2023 Annual Statewide Career and Technical Education (CTE) Summer Program will feature a professional learning opportunity -- The CTE Meeting Place. Exhibitors will be displaying the latest in Career and Technical Education equipment, instructional materials or professional services, along with displays from business and industry, organizations and associations, postsecondary programs and institutions, CTE professional associations, and Career and Technical Education Student Organizations (CTSOs). They provide an interactive networking, learning and sharing environment.

From state-of-the-art computer hardware and software programs to curriculum guides, fund-raising projects and personal items, you will find information available on every facet of Career and Technical Education. Representatives from exhibitors will be on hand Wednesday, July 19, and Thursday, July 20, to explain and demonstrate state-of-the-art technology, opportunities for students, and concerns and ideas to advance CTE in Kentucky.

The contents of this reference guide are preliminary, but allow conference participants to determine which exhibits they wish to visit first. Each exhibitor’s listing includes contact name, address, telephone number, fax number, e-mail/web addresses (if available) and a brief description of its services/exhibits (if provided). Additional participants will be added, and their contact information will be available as a downloadable document from www.kyacte.org during or after the Summer Program.

As a courtesy to our exhibitors, it is requested that each Summer Program attendee schedule ample time(s) between sessions to visit with vendors. In addition to regular breaks, a Wednesday, July 19 enhanced Refreshment Break will be held in and around the CTE Meeting Place, 2:30-3 p.m. Attendees can interact with exhibitors, network with colleagues, and enjoy a snack and a cool refreshment.

The dates and times for the CTE Meeting Place are as follows:

Wednesday, July 19 8:00 a.m. - 6:00 p.m.
Thursday, July 20 7:00 a.m. - 3:00 p.m.
Summer Program
Sponsors names appear in blue.
