# PRESIDENT'S MESSAGE

## **Anedda Trautman**

*Assistant Superintendent  
Erie 1 BOCES*

[atrautman@elb.org](mailto:atrautman@elb.org)

Over the course of our history, ACTEA has advocated for and powered a tremendous amount of positive change in the world of Career and Technical Education.

We've grown, evolved, and aligned ourselves to create and deliver exceptional supports in Career and Technical Education for our veteran, new and emerging colleagues across the state.

Most importantly, we're able to be a force for change and support by working together as a united community with a shared vision.

I look forward to continuing this work with you in the coming year!

# CTE | TECHNICAL ASSISTANCE CENTER OF NY

The CTE TAC of NY assists NYSED in addressing the vision that all learners have access to high quality CTE opportunities that are equitably and deliberately integrated at all educational levels, to better prepare New York students for lifelong learning and career success.

CTE TAC addresses the CTE Perkins V State Plan Priorities of:

- Increasing access to high quality CTE programs
- Supporting at-risk students enrolled in CTE programs
- Improving career development for all students
- Building regional collaboration amongst secondary and postsecondary education and business/industry
