“High Quality Program of Study”
January 23, 2024
Welcome
What part of the state are you from and what do you teach?

Put into the chat!
What is a CTE Program of Study?

Fuel the Future
A State Approved CTE Program of Study is a non-duplicative sequence of secondary and postsecondary career-focused courses that could lead to a postsecondary certificate of completion, a degree, or an industry recognized credential.
Six Career Areas of CTE Programs of Study

- Agriculture, Food, and Natural Resources Systems
- Arts, Information, and Communications
- Business and Management
- Health Sciences
- Human Resources
- Industrial and Engineering Systems
What Career Area does your program of study support?
Requirements of a CTE Program of Study

• Lead to a high-skill, high-wage, in-demand career
• Be accessible and inclusive
• Tie to business and industry knowledge and skills
• Integrate academic and technical skills and knowledge
• Provide Work-Based Learning opportunities for students
Requirements of a CTE Program of Study

- Span both high school and college and be aligned or articulated
- Tied to labor market needs
- Provide student supports and services including guidance
- Include student leadership opportunities
- CTE licensure for teachers in high schools
Tell us about your program...

- Did you step into an existing program of study?
- Are you starting a new one?
High Quality CTE Programs Include:

- Partnership with your CTE Regional Coordinator
- Alignment to community college programs and connection to business needs (Labor Market Information - LMI)
- Advisory committee specific to the Career Area
- Qualified teachers
- Data and federal accountability requirements
- Work-Based Learning opportunities for students
- Ongoing Professional Development
Size, Scope, and Quality creates the foundation for a CTE Program of Study

Discussion:
- Do you have an advisory board?
  - B/I partners?
    - How do they support your program?
- What Community College does your program align with?
  - Have you met any program faculty?
