Tony McCardle Assumes Presidency of the Louisiana Association of Career and Technical Education

[Louisiana] – The Louisiana Association of Career and Technical Education (LA ACTE) is thrilled to announce the election of Tony McCardle as its new President. With a wealth of experience and a steadfast commitment to advancing career and technical education, McCardle is poised to lead the organization to new heights.

In his role as President, Tony McCardle will spearhead LA ACTE's efforts in advocating for the importance of career and technical education, ensuring that all students have access to opportunities for success. The organization remains dedicated to fostering partnerships, driving innovation, and creating pathways that empower students to excel in their chosen fields.

“We are delighted to congratulate Tony McCardle as the new President of Louisiana ACTE, an affiliate of ACTE. His passion for career and technical education aligns perfectly with our mission to help educators provide students with the tools they need to thrive in today’s dynamic workforce,” said LeAnn Curry, ACTE Executive Director.

Under McCardle's leadership, LA ACTE will continue its commitment to excellence, working collaboratively with educators, policymakers, and industry leaders to enhance the impact of career and technical education across Louisiana.

The Louisiana Association of Career and Technical Education looks forward to a bright future under President Tony McCardle's guidance, as the organization remains steadfast in its dedication to creating pathways for success and advocating for the transformative power of career and technical education.
